Varsity Displays Determination . . .

The 1986 football season was a time of many firsts for Choctaw High School. It marked the first season to compete in a full 5a schedule. It also was the first season for CHS to compete in the new Metro Conference, which they tied for second place along with P.C. North and Yukon. Defeating Putnam City for the first time was a challenge for the Jackets. Also they defeated Mustang for the first time at Mustang, the game saw the Jackets compete for the first time during a tornado. The 1986 season also produced the first game to be completed at 1:00 A.M. when the number one P.C. West Patriots came to Choctaw. This was created by a power failure at Cox Field.

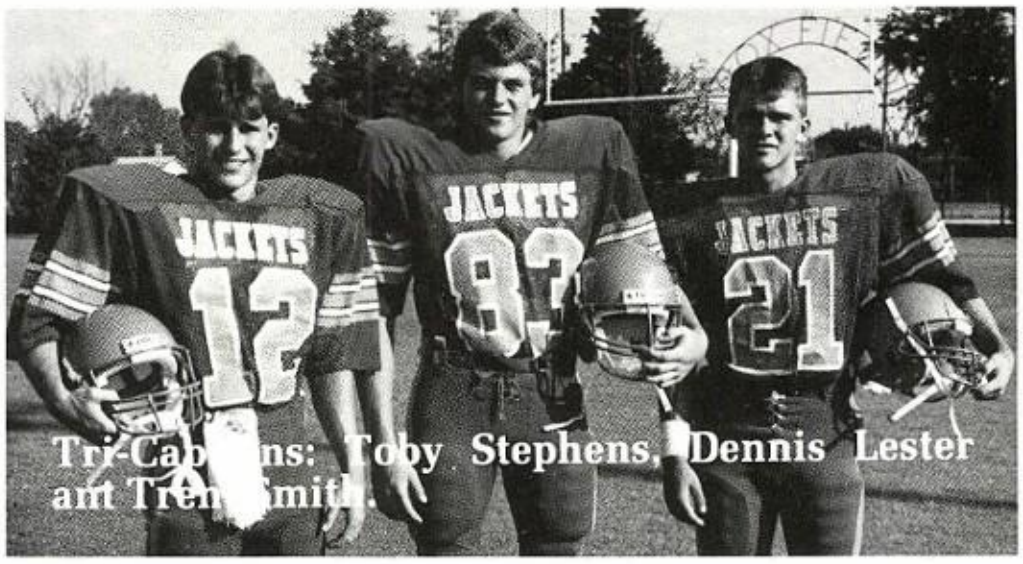
Away from the defense, Brian Neal receives the pass to later score.



Tri-Captains: Toby Stephens, Dennis Lester and Trent Smith.

. . . but Falls Short of Season Goal.

With many young Jackets seeing varsity action for the first time the team proved that the jump to class 5a was a challenge they were more than capable of handling. One thing that stood out was the tremendous leadership provided by a small group of seniors. Many of this years seniors were rewarded by being selected to various all-star teams. Toby Stephens, Chris Desoto, Brian Neal, Dennis Lester, Tony Welch and Trent Smith were selected to the prestigious 5a all-star team selected by the Oklahoma Football Coaches Association.

The 1986 football team was presented one of the biggest challenges in the history of the school. These young men and coaches are to congratulated for the way they accepted that challenge and for the fine season they had.

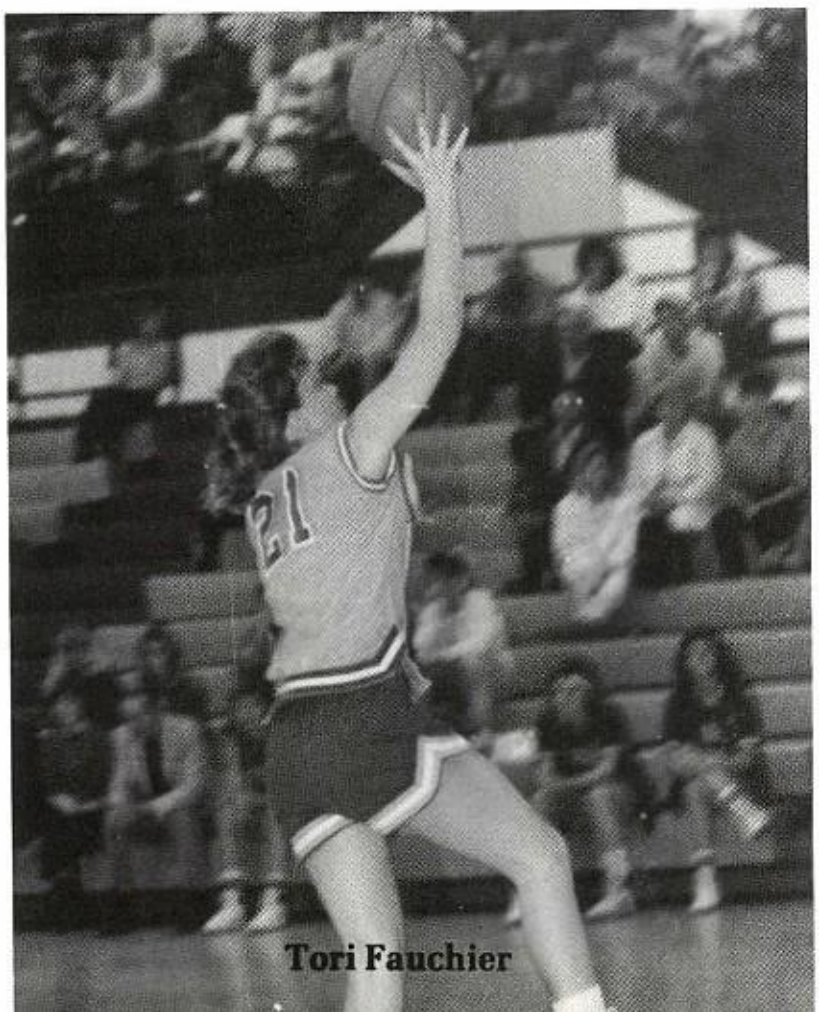
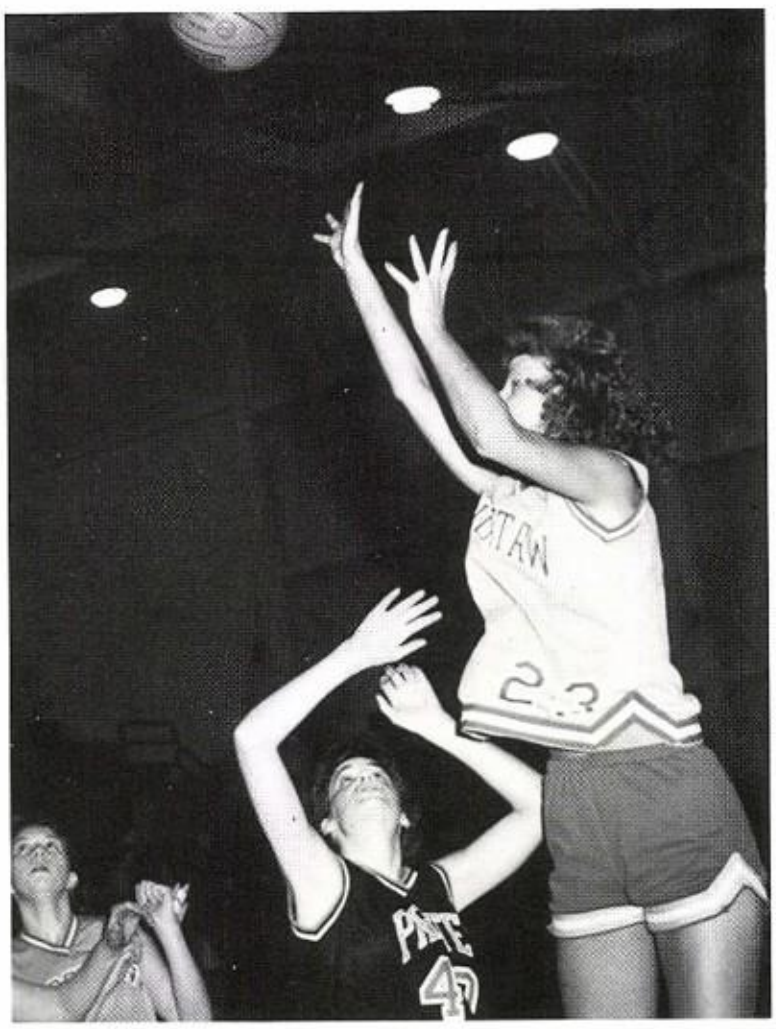
The 1986-87 basketball season was a building season for the Lady Yellowjackets. They have begun to bring back a tradition at Choctaw High School. For only their second year in 5A basketball, the Lady Jackets had a good season. Throughout the season they beat a number of highly respected teams such as Putnam North, Putnam West, and Yukon.



Tori Fauchier

Christy Daugherty skies for the bucket.



Laura Dickey makes a power move for 2.

On the forward end, Laura Dickey scored an average of about 14 points, also was named Player of the Week for the East OC County. Christy Daugherty was close behind with a 12 point average. Tori Fauchier and Treva Robinson averaged close to 10 points each. Keeley Mitchell and Celeste Davis also contributed to the forward end. For the guards, Michelle Daugherty led the team in steals. Kim Hogan and Patti Hopkins led the guards in rebounds. Patti Hopkins also helped out on the forward end. Tracey Robinson and Shelli Grose caused the most turnovers from the opposing teams. The team is losing only 3 seniors, Michelle Daugherty, Laura Dickey, and Shelli Grose. All the Juniors will be returning for their Senior year and they will all have had Varsity experience. This should lead to an exciting season next year picking up where the season ended, a 70-59 victory against Yukon. Good job, Choctaw!

Ohhhhhhhhh . . . C. H. S.!!!

We lost to Edmond which is ranked # 4 in 4 overtimes, and lost to the # 2 ranked Moore by 1 point in overtime. We also lost to # 6 ranked Putnam City West by only 2 points. We won the consolation championship at the Tulsa-Webster Invitational with victories over Tulsa Central and Sand Springs. In the first round of regionals we lost by 2 points to Lawton which is ranked # 9 and has a 17-7 record.

Senior Scott Wanish led the team in scoring, averaging 15 points a game. Scott scored in double figures in 21 out of 22 games. Senior Sean Mickle was the second leading scorer with an 11 point per game average. Sean was also the leading rebounder, averaging 9 rebounds per game. Also a senior, Ron Dale was one of the most consistent players throughout the year, averaging 8 points and 6.5 rebounds per game. Juniors Doug Brant, Eric Myers, Jon Brandon and Senior sixth man Phil Collins rounded out the nucleus of this years Jacket Varsity.

The wrestlers have had a rebuilding year, placing fairly high in most of their tournaments. They had a very young team this year, with only 3 seniors. They are: Brent Gressett, Robert McCoy and John Wilson. They represented this team very well with great leadership abilities. We are looking at a very strong team to come next year with a lot of varsity members returning. The next few years will be better developed with different skills and ideas taught by the coaches, Benny Coleman, Head and Mike Clark, Assistant.

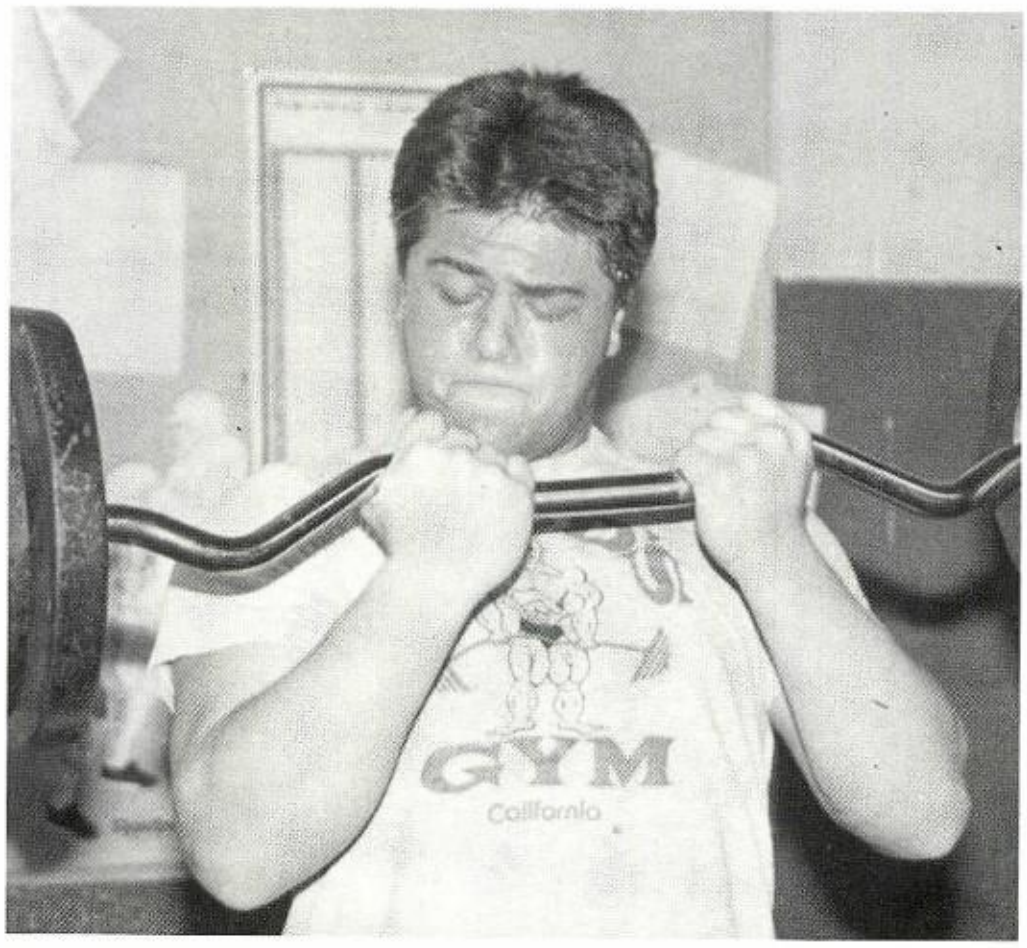
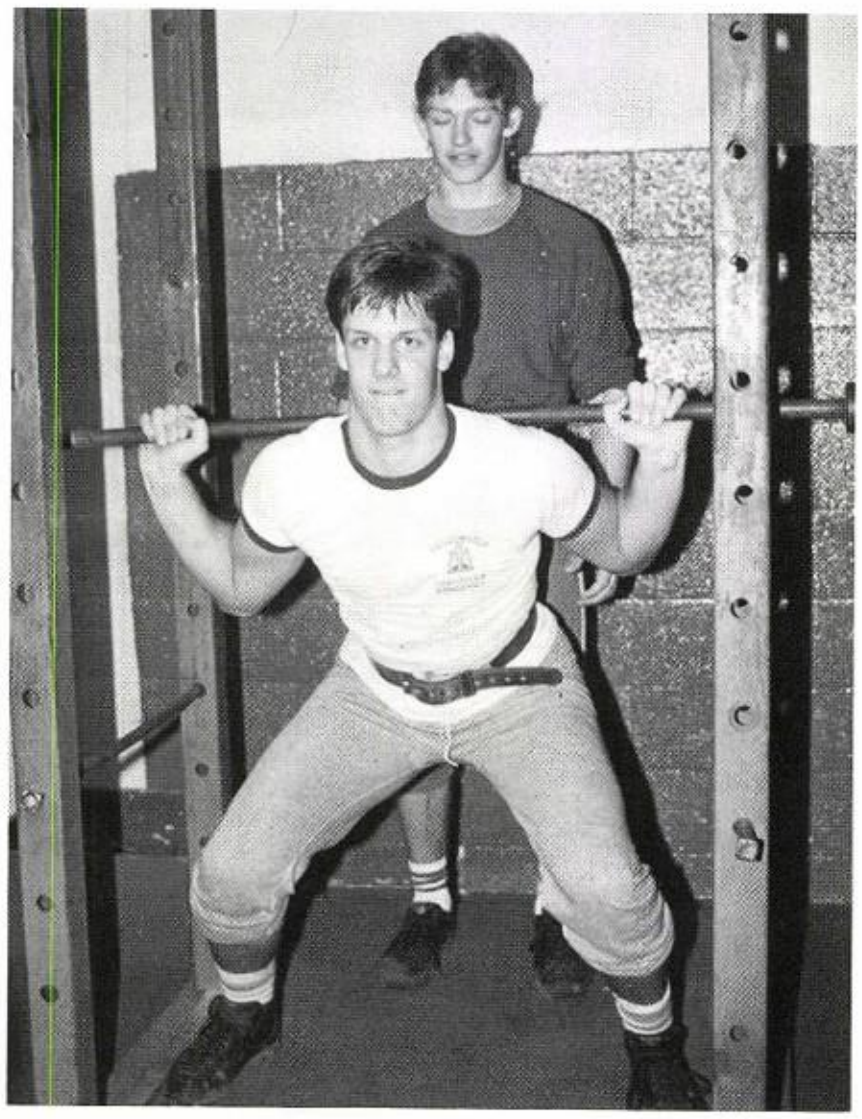
This was the first year to have both Varsity and Jr. Varsity matmaids. There were 14 varsity girls whose captain was Michelle Welch and Co-Captains were Carrie Higbee and Amy Springfield. There were 5 J. V. Girls whose captain was Shelley Fabian.

The Matmaids hold a very important position in wrestling. Besides supporting the guys at almost all of the away matches and tournaments, they had many responsibilities at home matches. Such as: taping the mats together, setting up chairs, mopping the mats, making sure the wrestlers have water, and cleaning up the gym after a match. They also had bake sales to raise money. Congratulations girls, your hard work was appreciated.

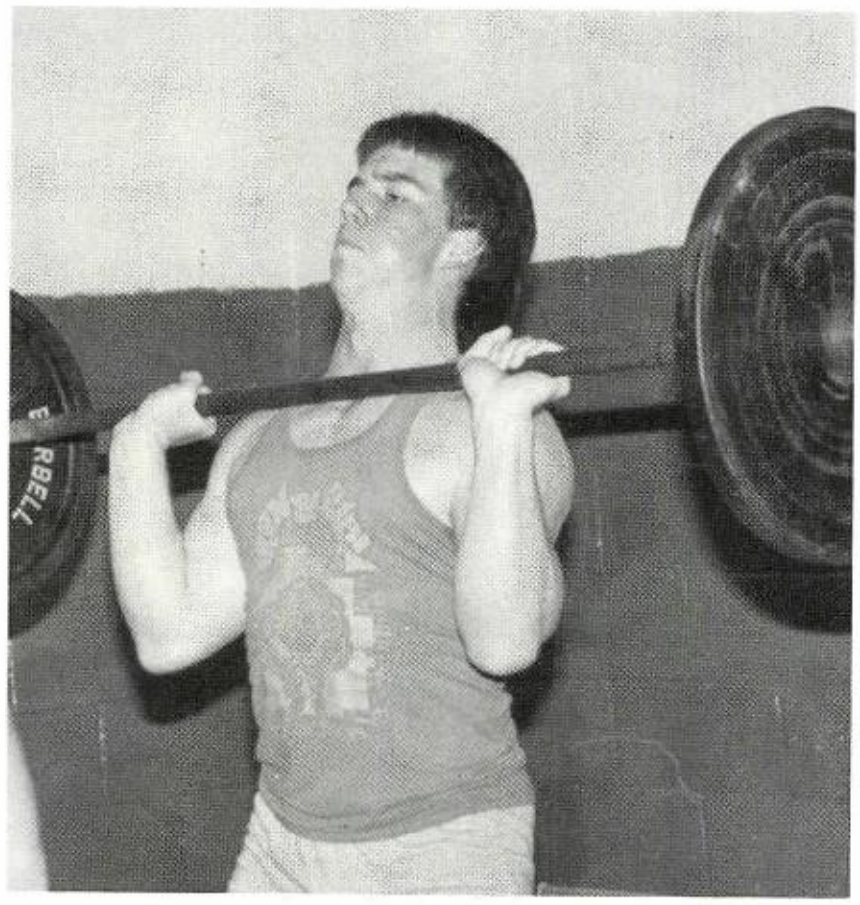
Weight Lifting



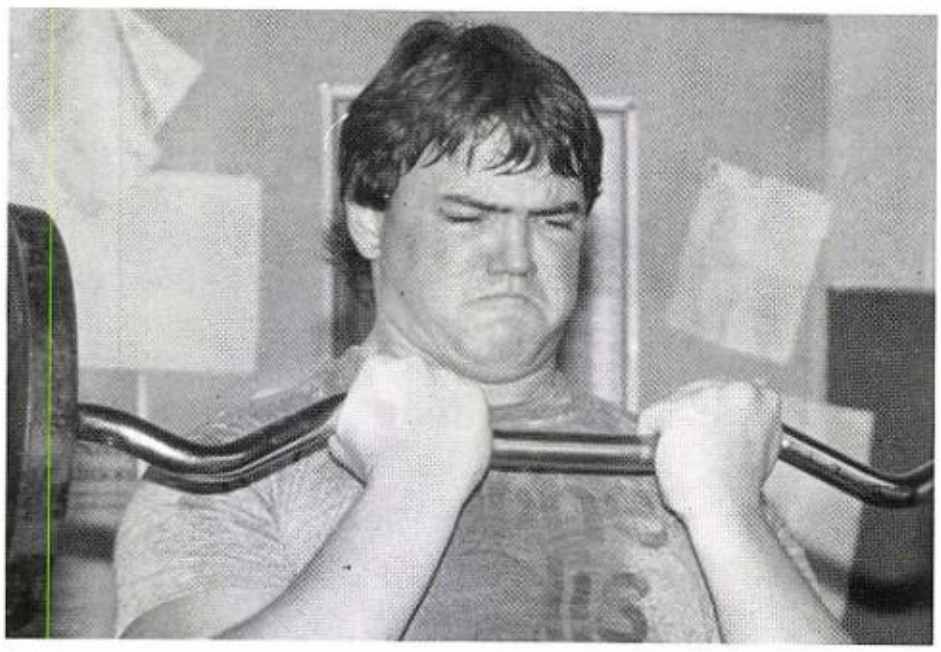
Now put some real weight on there, Charles.



Don't just stand there David, do something.



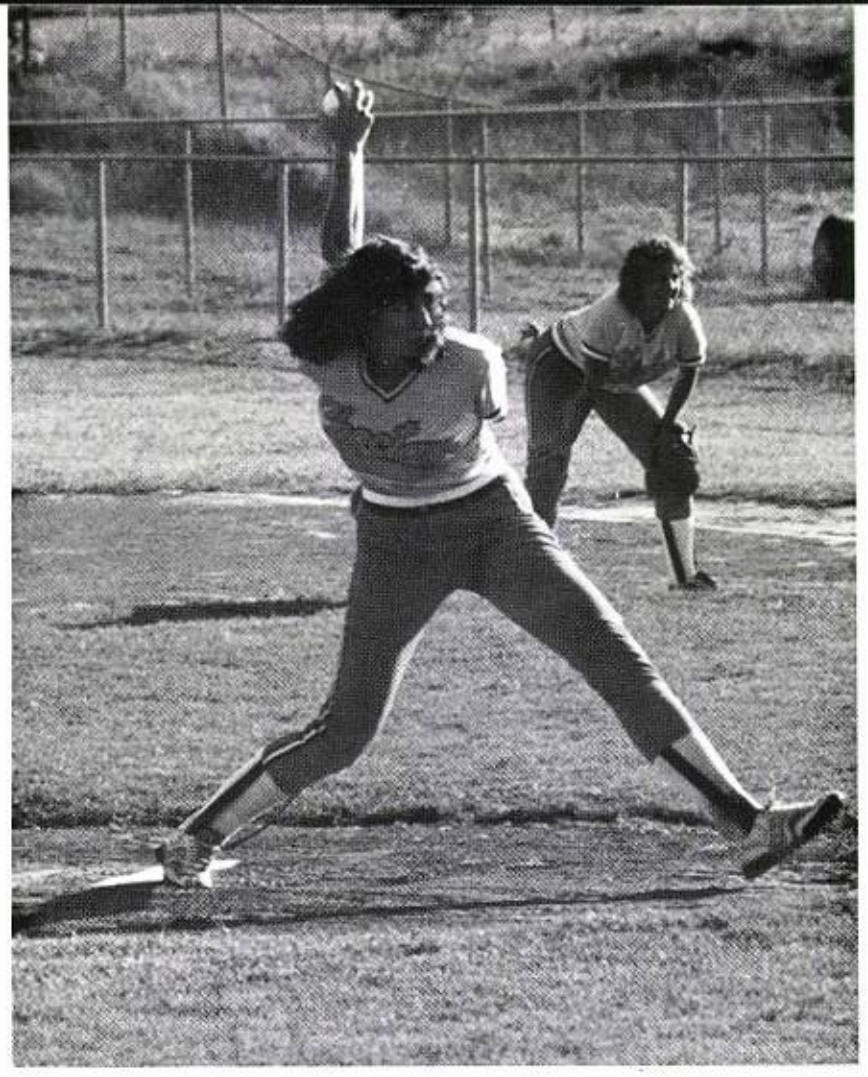
Higher William! Higher!



Smile Eric, its not that bad.

Weight Lifting has been a very popular sport at Choctaw High School for many years. Not only is it good training for football but also it helps guys, as well as girls, learn how to compete in competitions and discipline themselves in a proper weight training.

Lady Jackets Excel



Sr. Laura Dickey shuts down P.C. North for a win.

"Lady Jackets improve . . .

The Lady Jackets have had a very successful season finishing the year with a 13-4 record. Although finishing 3rd in their conference they have produced a lot of good athletes. Three juniors-Karon Leverich, Patti Hopkins and Tori Fauchier were named to the all-conference 1st team. We would like to congratulate these players for their accomplishments and skills. They will all be returning, since they are juniors. We are looking forward to a great season from them.

Talk About the "Won" That Got Away!!!

The Choctaw Yellowjackets became Oklahoma's glamour team in 1987 with a 32-4 record, 11 of those games being shutouts. The season brought with it more than just outstanding players and numerous awards, it also became a year we'll never forget.

The remarkable performance of the team was due to quality players at every position that worked together like poetry in motion. These poetic pilots of the baseball diamond were crowned one of the top ten teams in the United States by the Collegiate Baseball Magazine. The Jackets were on a 22 game winning streak up until the final round of the state tournament. It turned out to be a nightmare for the Jackets and all Choctaw fans. It was top of the 6th and the bases were loaded as Brian Ellis stepped up to the plate, and hit a roller toward the Owasso shortstop. A controversial interference call against Choctaw pinch runner Craig Wanish eased what would have been a go-ahead run.

According to one sports writer, the toughest team the Jackets faced this season was MWC but in the opinion of many others, the toughest team Choctaw faced was the team of officials at the State finals.

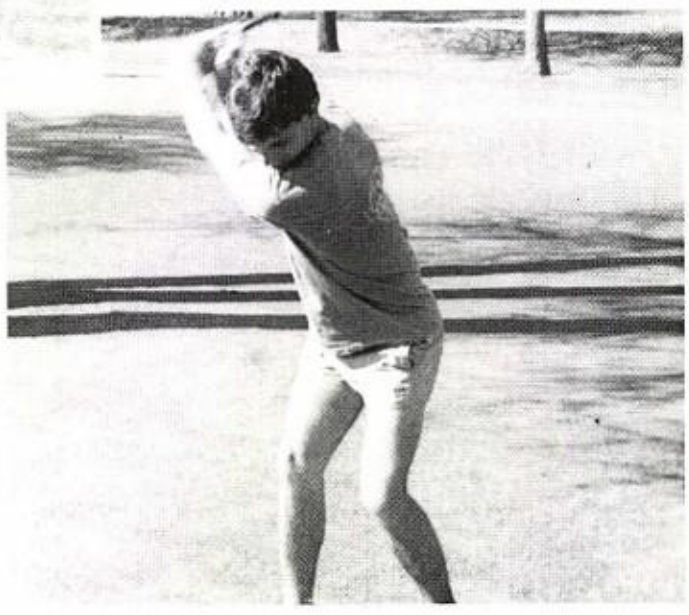
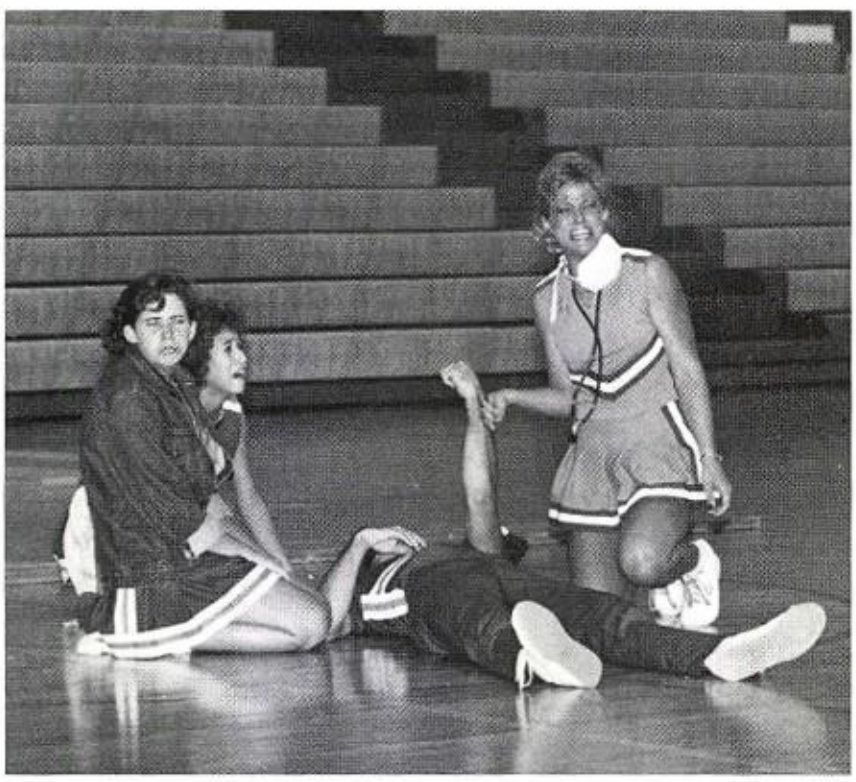
8-1 Metroplex Dual Record
1st place Sectional Tournament
2nd place Lawton Wolverine Tournament
3rd place Divisional Tournament
4th place Regional Tournament



The Yellowjackets were one of the hottest teams in the state in March and in early April winning the Sectional Tournament and running up an 8-1 Metroplex record.

Consequently they were seeded 4th in the western half of they state and hosted the regional at their home course. Unfortunately they failed to qualify for state as they had their worst showing of the spring in finishing 4th at the Regional Tourney. Seniors Travis Kringlin, Brock Sloan, Chris Perkins, and Coby Greenhaw made up the nucleus of this year's team with underclassmen J. J. Marshall and Jason Gilbert rounding out the squad. Although they finished the year on a down note, this year's squad had laid the foundation for a bright future for Choctaw Golf.

SENIORS



1986-87 Varsity Cheerleaders

Choctaw's 1986-87 Varsity Cheerleaders were at the top once again with another successful year. They started out with a 1st place victory at White Water's annual competition.

When Choctaw attended NCA's summer clinic at Tulsa University, they received superior ribbons and were Runner-up to the Award of Excellence.

At the University of Oklahoma's Regional Competition, they received top honors including an invitation to attend NCA National Competition in Orlando, Florida. They got a prestigious 3rd place national ranking.

All in all, the Choctaw High School Varsity Cheerleaders had an extraordinary year.

During the month of May, the squad attended an NCA camp at Oklahoma University where they were awarded a 1st place trophy for their home routine, and a sweepstakes trophy, which qualified them for the NCA Pom-Pon Nationals in California. In July the squad attended a UCA Camp to Oklahoma State University. Their high achievements included the spiritstick, another 1st place trophy for their home routine and a sweepstakes trophy that qualified them for the UCA Pom-Pon Nationals held in Orlando, Florida. For the second year in a row the pom squad decided to participate in the UCA National Dance Team Championships. The 86-87 squad competed in two categories — Jazz and High Kick. In the High-kick division they were chosen as one of the top seven finalists.

Their National Recognition allowed them to perform at the 1987 Miss Nicoma Park Pageant. Throughout the year the CHS Pom-Pon Squad has made appearances at Founder's Day, Old Timer's Day and at the National Student Council Convention at Putnam City.

Mrs. Cooper has been our yearbook advisor for 5 years, and is very dedicated to help make the yearbook the best possible. She deserves much appreciation for all of her hard work and dedication. There also are some other people who put forth extra effort in the making of our yearbook: Michelle Welch — the Editor, Amy Springfield — the Co-Editor, Paula Branson — the sports editor and our photographers, Michael Thomas, Kelly Helton, and Todd Skaggs. We would like to thank these people and also give a special thank-you to the following people: Shawn Wilson who designed the cover of our yearbook, Phil Baum our Taylor Representative, Taylor Publishing Co., Leewright Photography, and Blunck Studios.

This year's Student Council did an excellent job throughout the year. In December, the Student Council sponsored a toy drive for the Battered Women's Shelter. Hundreds of dollars worth of new toys were delivered to the needy children of the ladies at the shelter. The Council also attended the annual State Convention of Student Council's in November and have initiated a project for the building of a new student center at the east end of our school building. Overall this year has been very successful for the Student Council and even though it was filled with fun and joking, many positive things were accomplished and will continue to do so in future years.

Love That Band

I Love Band Because . . .

it's great to be in and it's a lot of hard work but it's worth it! I think it has been a lot of interesting times. It has prepared us for the future. I hope the school and students support the band as much, if not more as they did this year. Thanks to everybody for a great year . . . Mike Winters

it has been a great learning experience for all of us. We have put a lot of hard work into all of our shows — (Well some of us). I have formed some of my closest friendships over these years. I just wish everyone would realize how much the Pride of Choctaw is a very good asset to our school. If you only knew how much fun we have or had. Thanks to all of you who have supported us and I pray that you will continue to do so . . . Candee Dodd

of all the friends I have made. These are my closest friends because we all share a common interest. We can appreciate the hard work that goes into other activities since we have been in the same place. I wish the best and more fun to band members coming up . . . Amy Adams

getting up early to get yelled at and to march in the mud, masquitoes, and rain is fun. The many good times and friends I've made make the effort worth while. Good Luck to all future band students . . . Chris Albright

it was a great experience for me. I made a lot of friends in band which made all of our trips fun. I hope the future band members will take as much pride in representing Choctaw as we did. It takes a lot of hard work and dedication but it's worth it when you win an award and realize how much hard work you put forth for it. Good luck to future band members . . . Leslie Trott

of the friendships I made and the closeness I felt toward all of the people in band. Also knowing you walked out a winner! Ross Harrison

I love it. I realized the job that was ahead of me. Now that my last year in band is over with, I know I put in a lot of time and hard work. It payed off because I'm a better person for it. My best friends have come through all of the experiences we've had in band. I hope and wish next year's band as much success as I had . . . Kristi Hughes

Choctaw Rodeo

OHSRA

OHSRA is the Oklahoma High School Rodeo Association. Choctaw High School is well represented in the OHSRA. Choctaw has won the OHSRA Floating Team trophy for the post two years.

Choctaw has the distinction of having several of the OHSRA Student Directors.

Brian Neal is currently serving his second year as the OHSRA student president. Brian competes in bareback riding, calf roping, bull dogging, team roping, and bull riding. Brian has several rodeo scholarship offers from colleges throughout Oklahoma and other states and will probably accept a scholarship from Southwestern University at Weatherford, Okla.

Brian Rice is currently serving his second year as OHSRA bareback riding student director and competes in bareback riding and bull riding. The colleges will have to wait another year as Brian is a Junior.

Tommy Trott is the OHSRA student saddle bronc director. Tommy competes in bareback riding, saddle bronc, and bull riding and was last year's student bull riding director.

Choctaw has many other students that are tough cowboys and cowgirls in the OHSRA.

Polly Neal competes in breakaway roping, pole bending, barrel racing, and goat tying. Shelly Harril competes in breadaway roping.

The bull riders are John Eslick, Mark Anderson, Rob Goldsbury, Travis Hargess, Brian Neal.

The OHSRA has about 20 rodeos a year all over the state of Oklahoma. The rodeo announcer calls out the contestant's name and where they are from and Choctaw Oklahoma is a town that is called out many times.

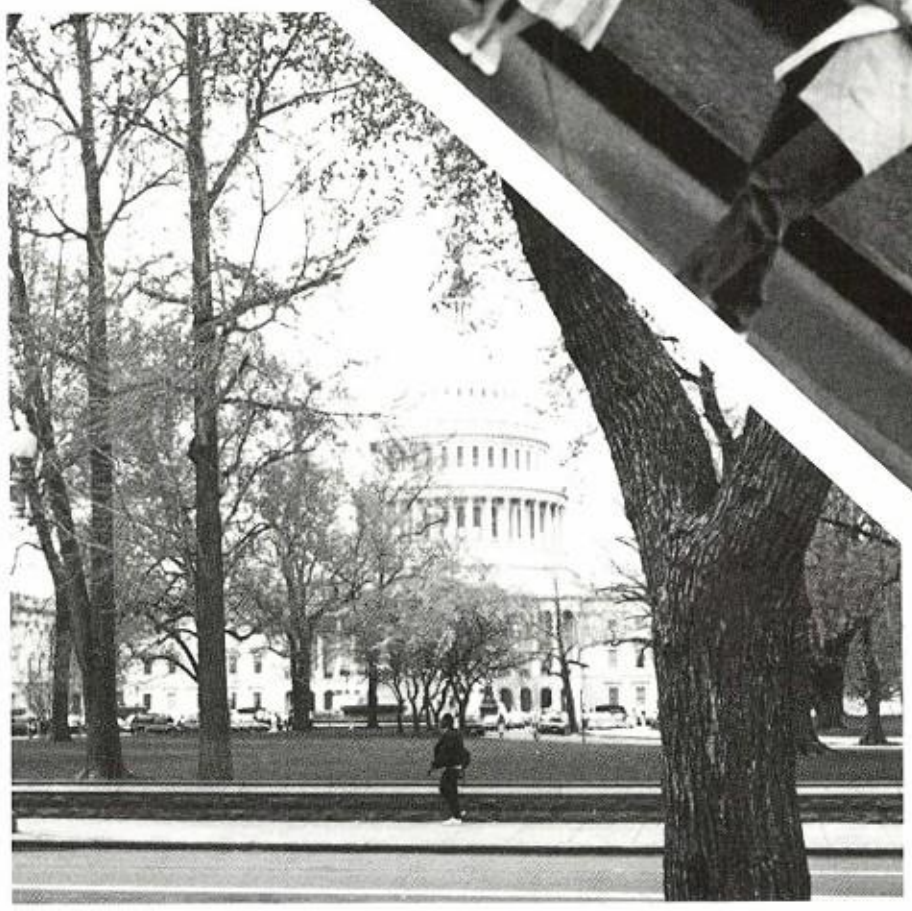
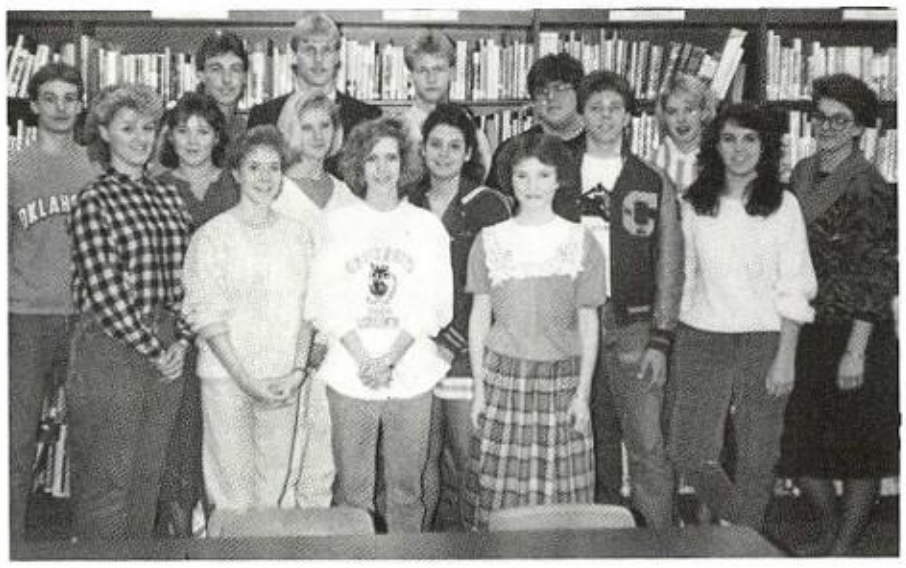
One of the real highlights of the week is the opportunity to get acquainted with students from other parts of the country.





At Left: Mrs. Davis the Close-Up sponsor. The Close-Up program is open to all high school students. This group worked hard on a series of fund raisers to help with the cost of the program. Students who attended this year include: Dennis Allen, David Cannefax, Jacki Chambers, Cheri Chitsey, Caryl Christopher, Ann Cramer, Ron Dale, Shelley Fabian, Brad Fowler, Michelle Melton, Sean Mickle, Karen Page, Stacey Peters, Lori Renner, Darren Russell, Michelle Welch, and Malinda Whitnah.

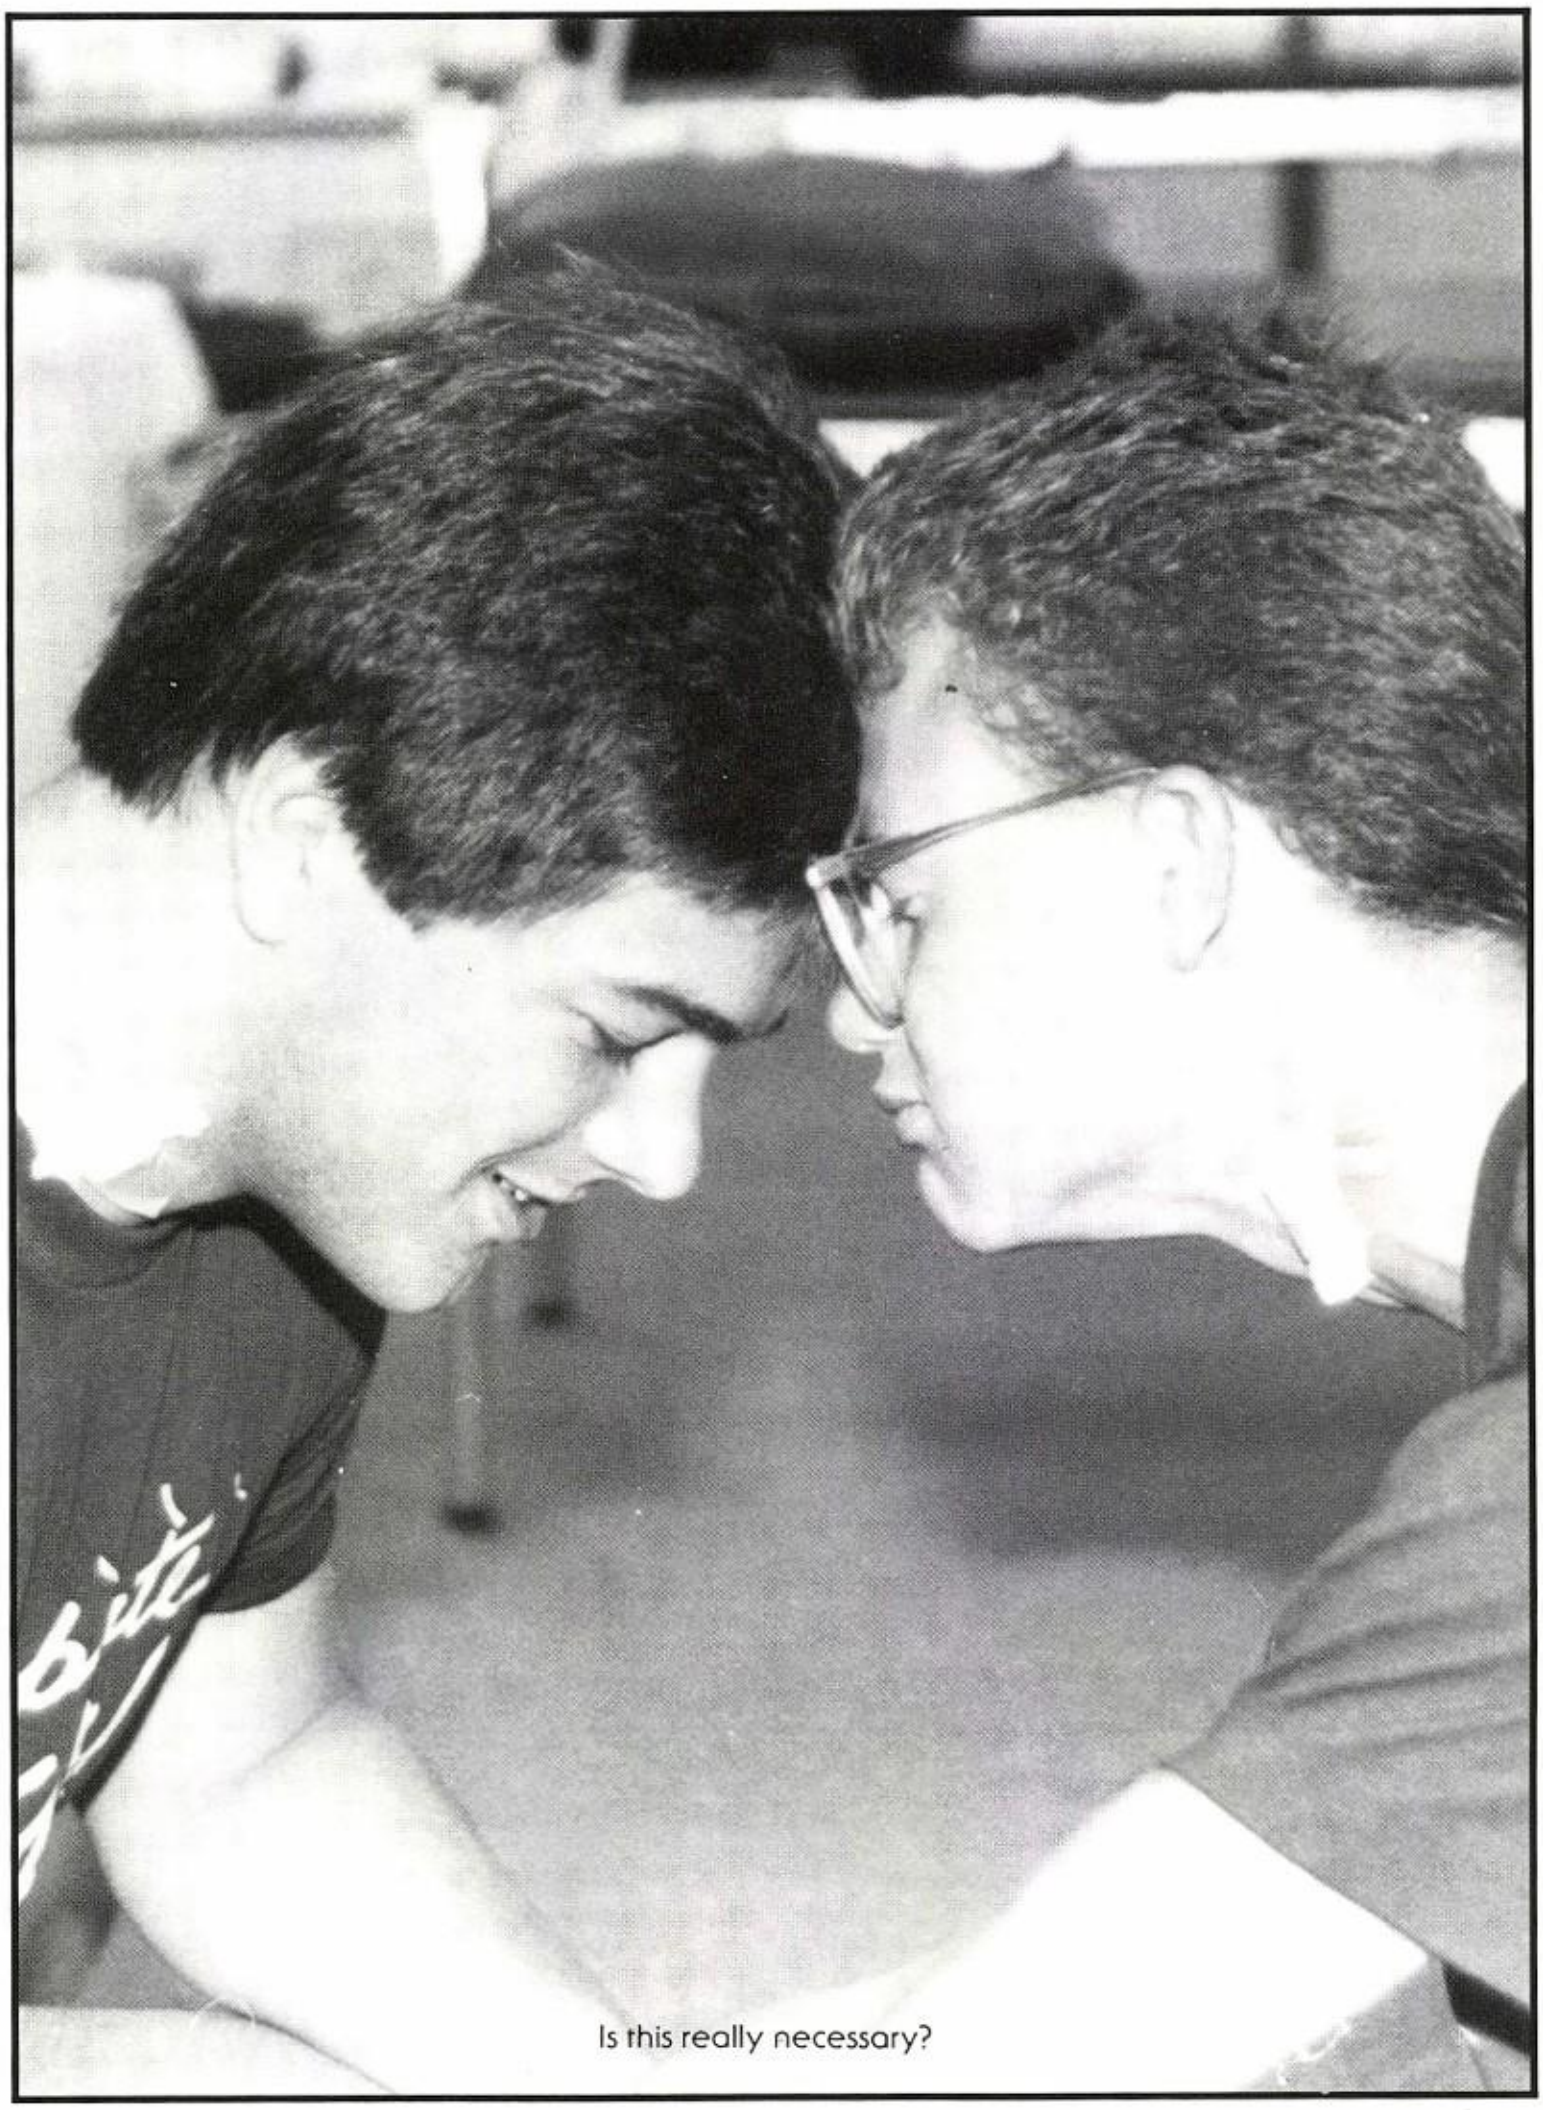
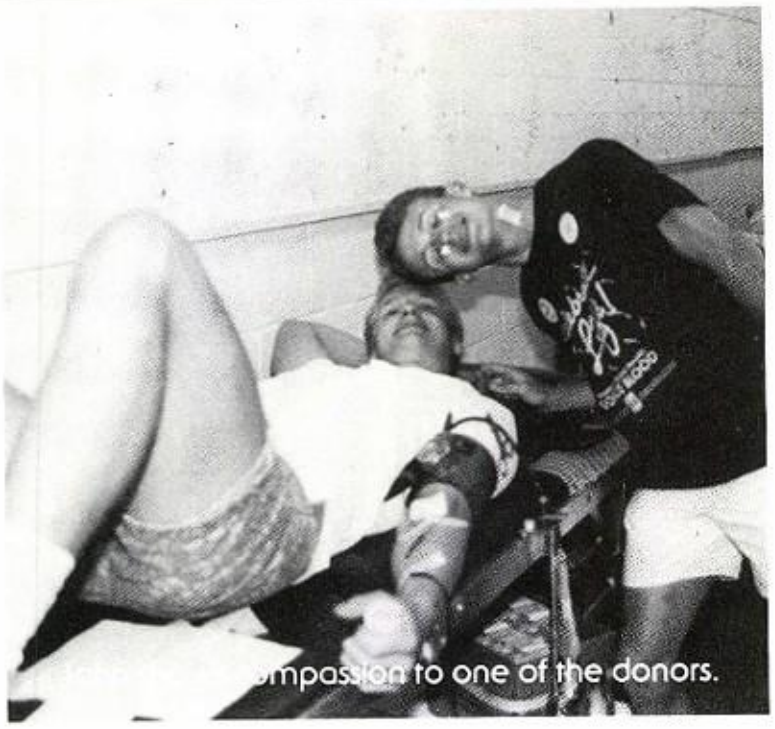
BLOOD DRIVE



Is this really necessary?

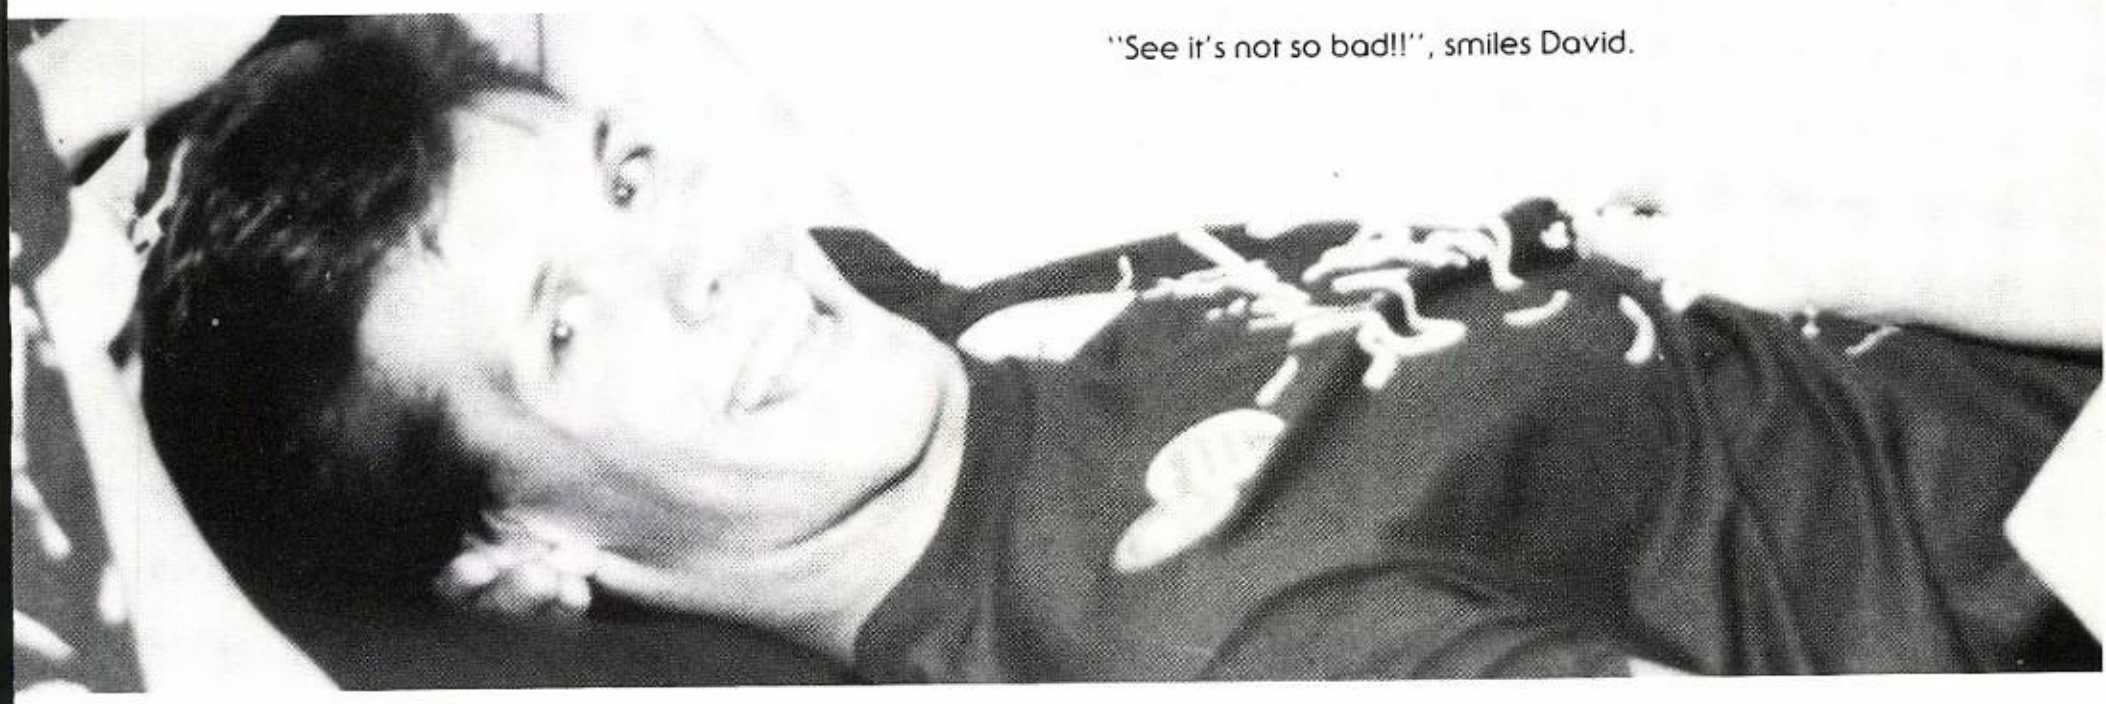


mpassion to one of the donors.

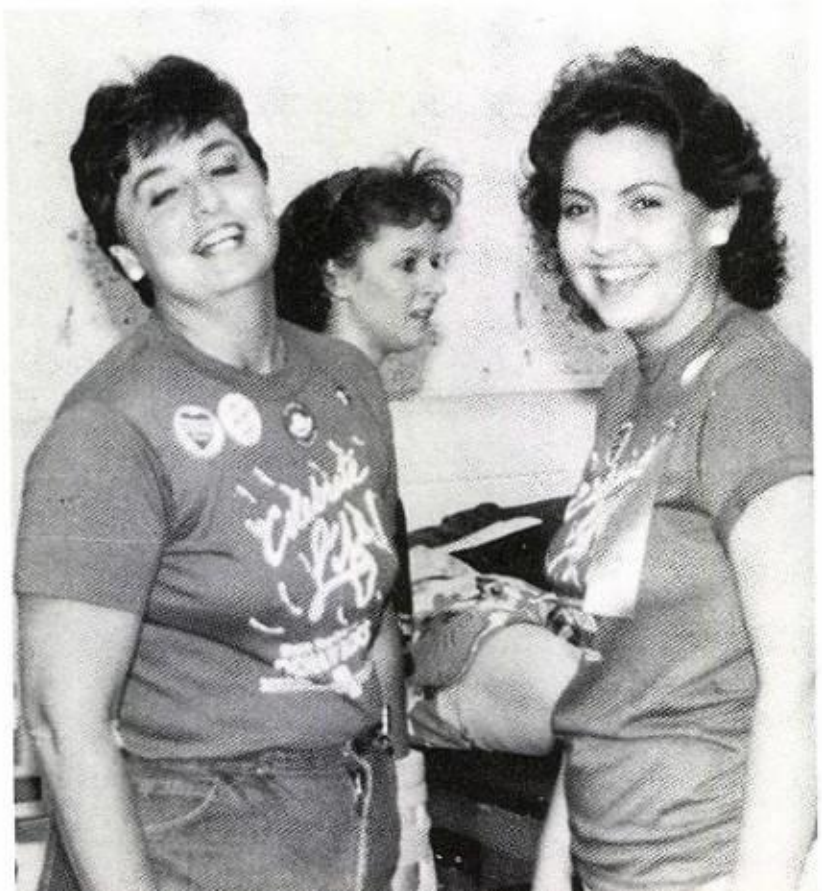
"CELEBRATE LIFE" was this year's theme for the blood drive. It was held on May 5, 1987. The great success that Choctaw has had since 1981 is due to all those willing donors from the school and from the community.

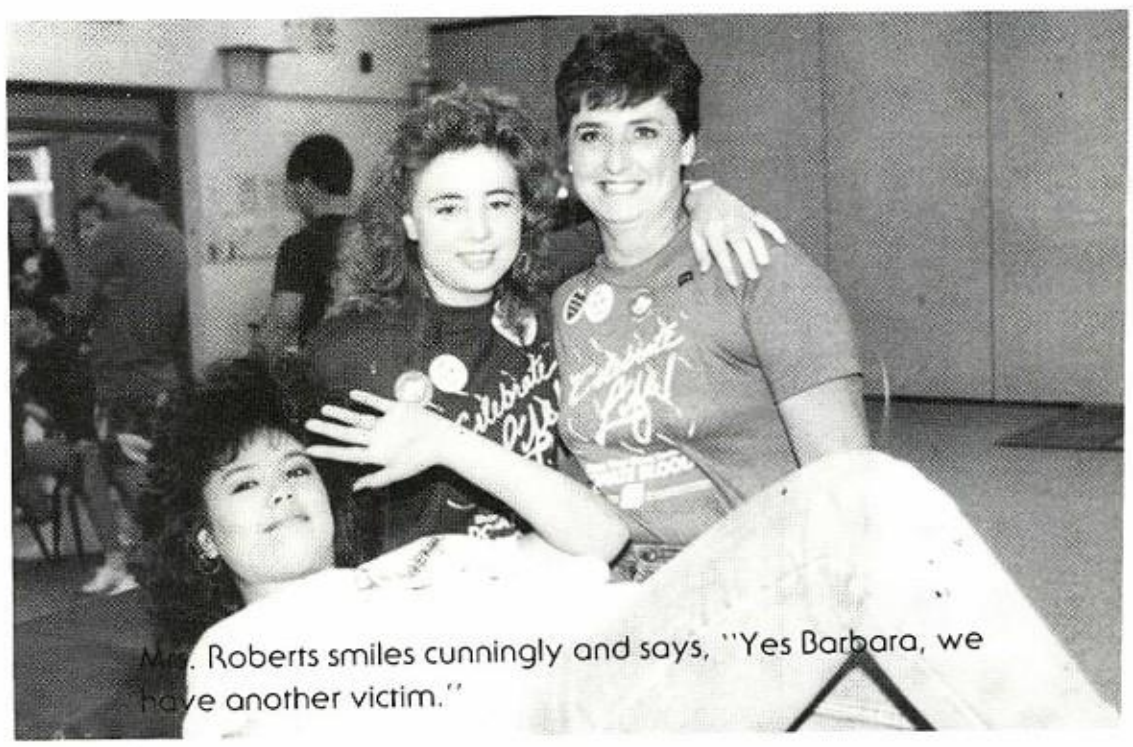
A big *THANKS* to Mrs. Roberts, Mrs. Renner, and the recruiters for getting things together.

We would like to encourage the underclassmen to keep the tradition going.



"See it's not so bad!!", smiles David.





Mrs. Roberts smiles cunningly and says, "Yes Barbara, we have another victim."

THE CHOCTAW DAILY

Birthday Celebration

"Bring me your tired, your poor, your huddled masses yearning to breathe free." That is the welcome and the promise of "Our Lady." She represents THE AMERICAN DREAM.

In 1986 we celebrated the Statue of Liberty's 100 birthday. Our Liberty celebration began with an awesome fireworks display, pictured here, on the fourth of July.

Standing in New York Harbor, holding her torch of freedom to light the way for millions is our Lady Liberty. She stands forever strong to guide, protect, and remind us that we are a nation "conceived in Liberty."

The Statue of Liberty is a sculptured symbol of freedom, a symbol of democracy clothed in copper and iron. The idea of Liberty Weekend for most people was simply to have fun to watch ships passing under the sun and fireworks "booming" under the stars, to feel good about themselve's because they felt good about their country, to feel proud of being proud.

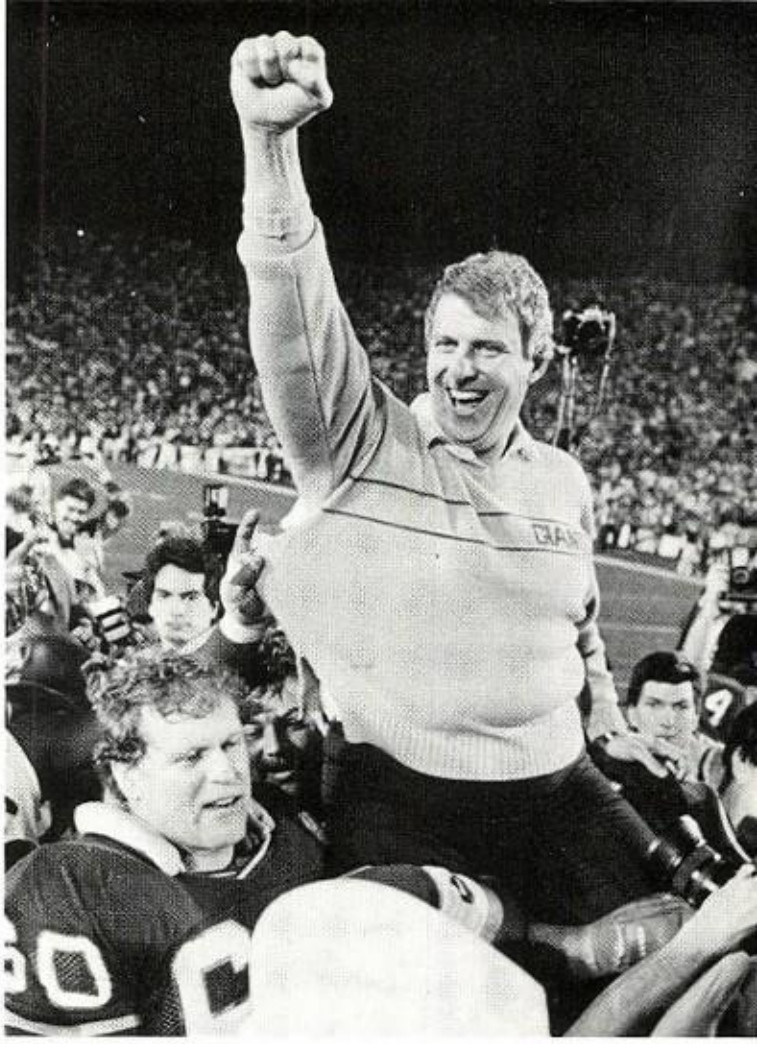
The Statue of Liberty had the greatest birthday ever, and why not? We kicked everything off with singers, dancers, and marching bands at the opening ceremonies on Governor's Island for the relighting of the statue. The crowds exploded with pride and excitement. The feeling of anticipation was overwhelming! The world held its breath as the moment finally came, and the birthday girl made her appearance. Americans cheered with full force as fireworks haloed the statue and lit up the Manhattan Skyline. It was the most awesome display of pride, beauty, and lights the world has ever seen.

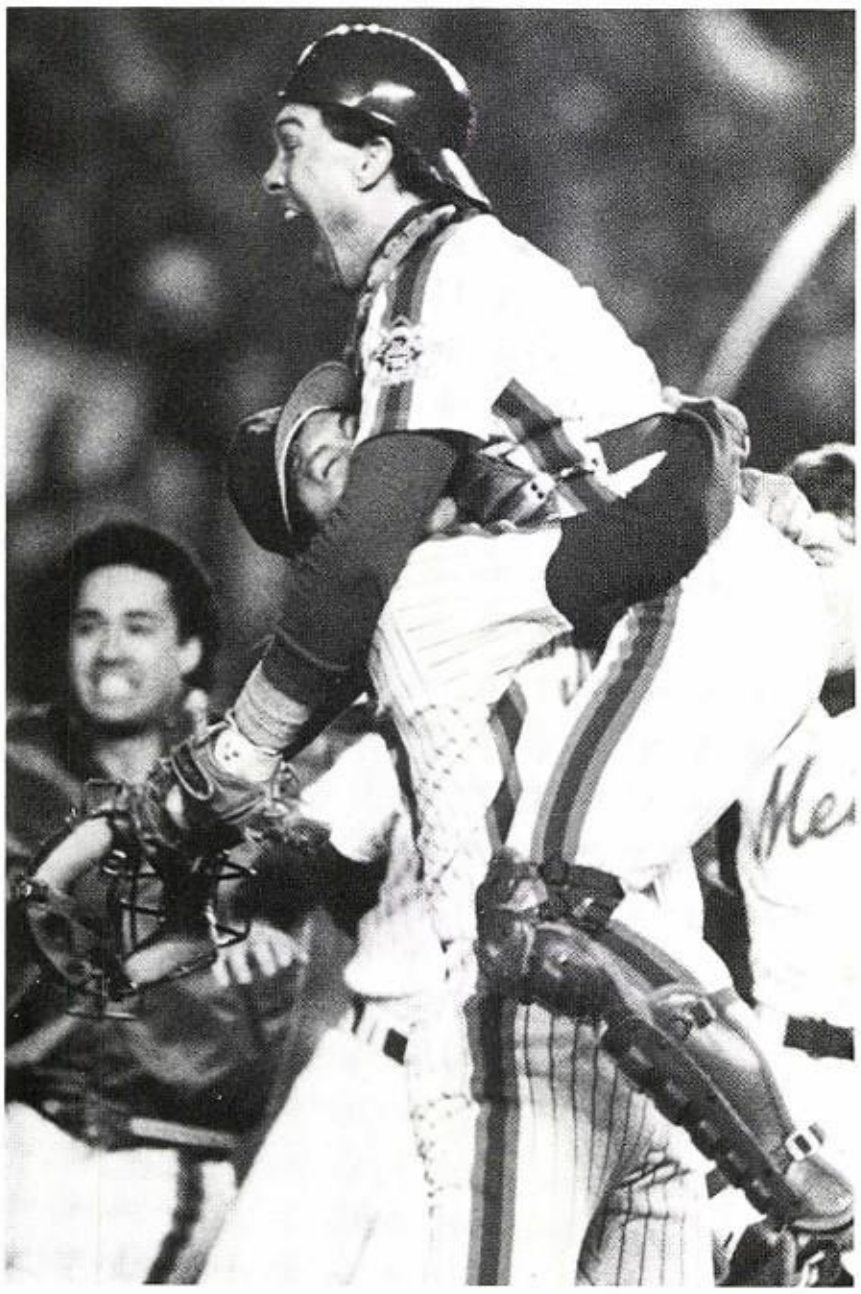
They had, that night, a televised naturalization ceremony for 16,000 immigrants in five cities. On Ellis Island, Chief Justice Warren Burger led the new Americans, live and remote, in reciting the oathe of alligince. Then United States District Court Judge Mark A. Costantino led the crowd with a more plain spoken version of citizenship: "Take a real good look at each other. What do you see? You see people of all races all colors, all creeds. What do we do in America when we meet people? We shake hands. C'mon shake hands! When you've shaken hands, you can say that you are real Americans."

As many as 6 million people came to celebrate with Lady Liberty. People from all over the country to pay tribute to a lady that has become the mother of our American dream. She says so much with her strong quiet dignity. President Reagan summed our feelings up by saying, "We are the keepers of the flame of liberty; we hold it high tonight for the world to see. The things that unite us — America's past of which we are so proud, of our hopes and aspirations for the future of the world and this much loved country — these things far outweigh what little divides us."

Big Stars of '87

In the sports scene this year: New York Mets Gary Carter is lifted in the air by relief pitcher Jesse Orosco following the Met eight-five victory of the Boston Red Sox in the seventh game of the World Series. Also lifted in victory, New York Giants Coach Bill Parcells is carried off the field after the Giants defeated the Denver Broncos 39-20 in Super Bowl XXI.





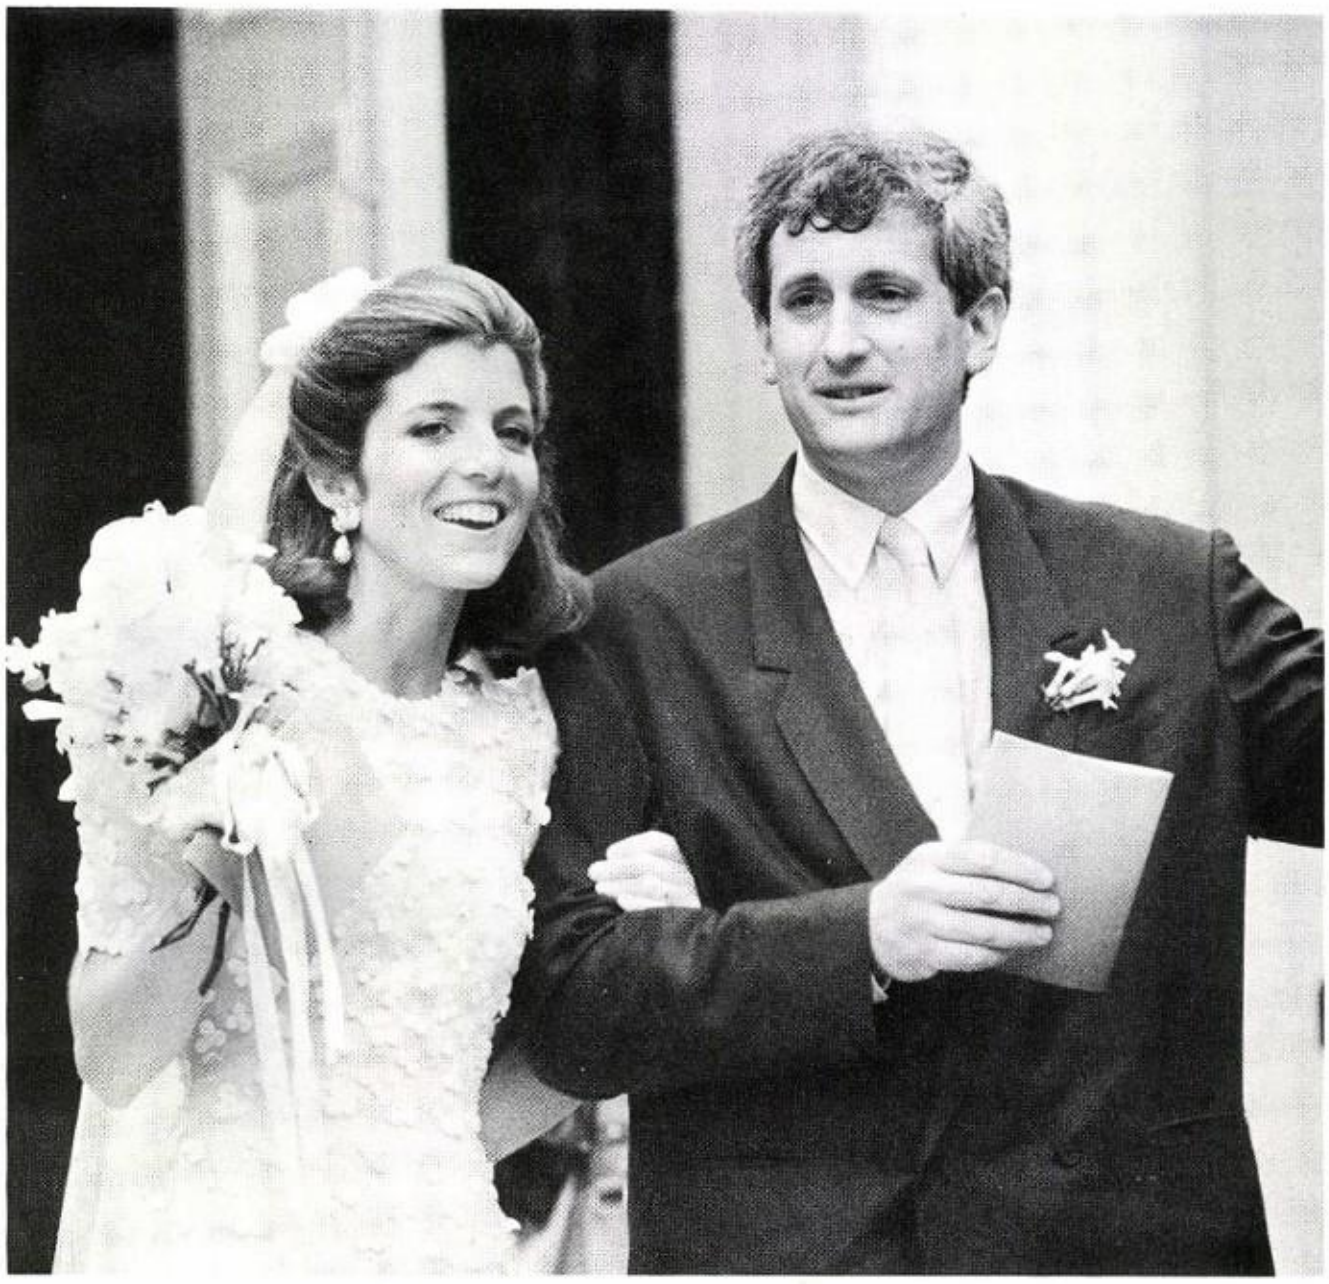
Two beautiful ladies were in the spotlight this year. Britian's Prince Andrew married red-haired English commoner Sarah Ferguson in July. Andrew is the queen's second son and fourth in line to the throne. Second, Miss Tennessee Kelley Cash, the grandniece of country star Johnny Cash, was crowned Miss America 1987. She was crowned by

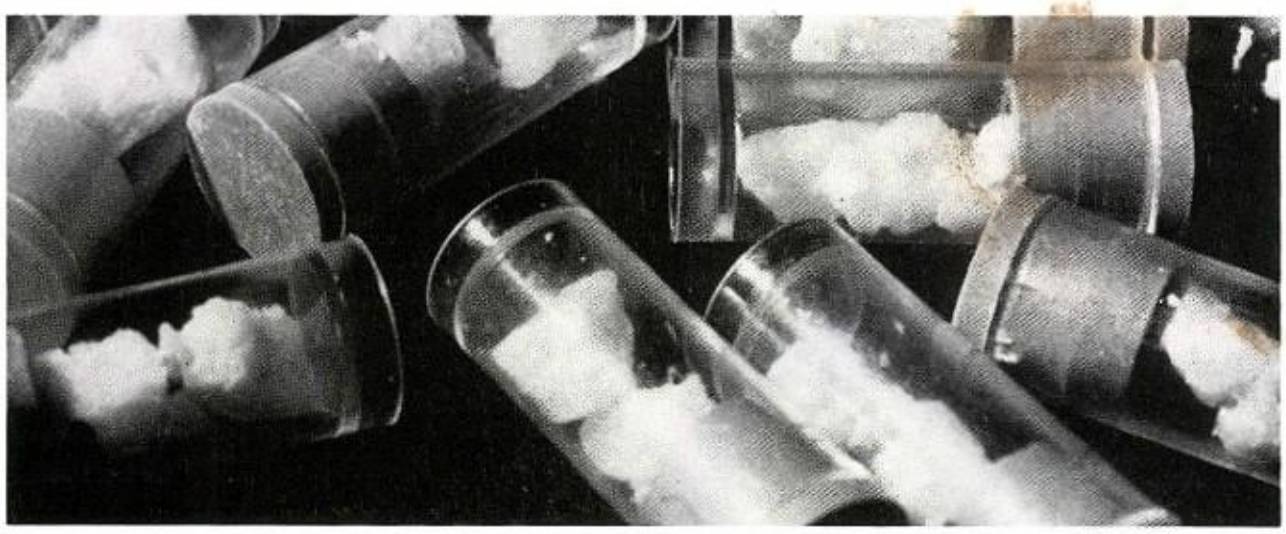
BIG EVENTS of '87

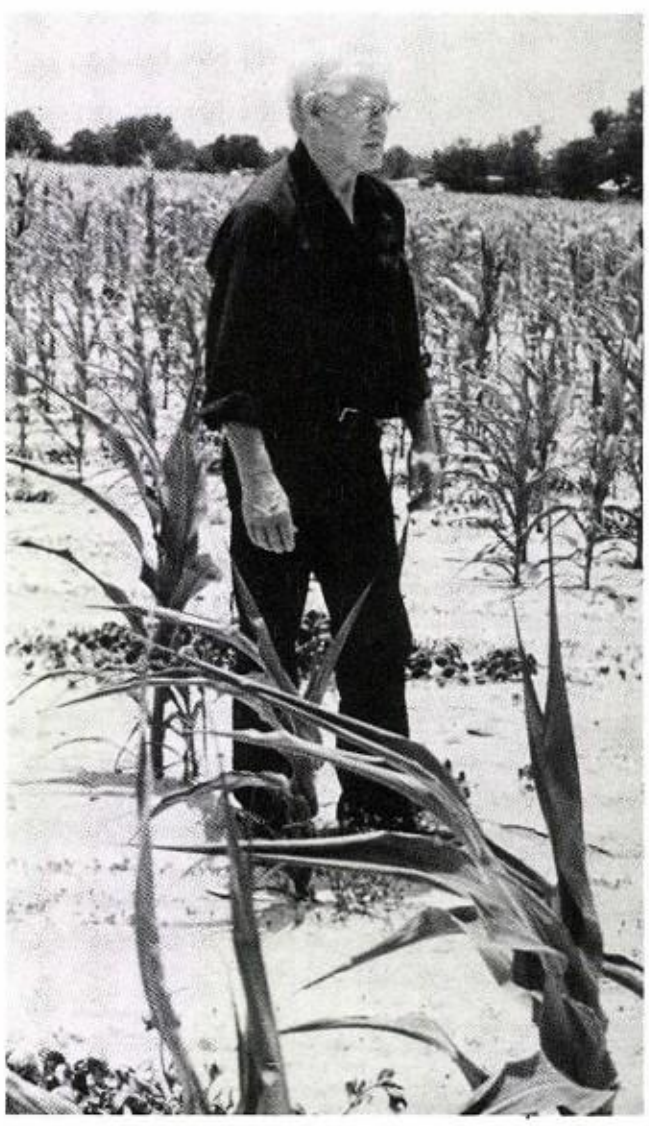
A piece of local news this year. In November President Reagan landed at our own Tinker Air Force Base to promote the Oklahoma Governor's election.

One problem called to America's attention this year is called "CRACK" on the East Coast and "ROCK" on the west. Whatever its name, this refined, smokable form of cocaine may be the most addictive narcotic ever sold on the streets of America. On the same sad note a drought spread throughout the Southeast during 1986. It was the worst dry spell on record. At the peak of the drought, drops wilted from Southern Pennsylvania all the way to Northern Florida. Even after some rain, many farmers in the Carolinas, Georgia, Tennessee, and Virginia were close to ruin.

It was a cheerful event of 1986-87 when Caroline Kennedy, who captured America's heart as a little girl romping through the white house, married Edwin Schlossberg, a New York businessman.







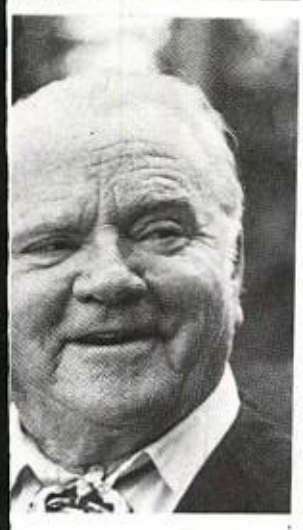
People and Politics

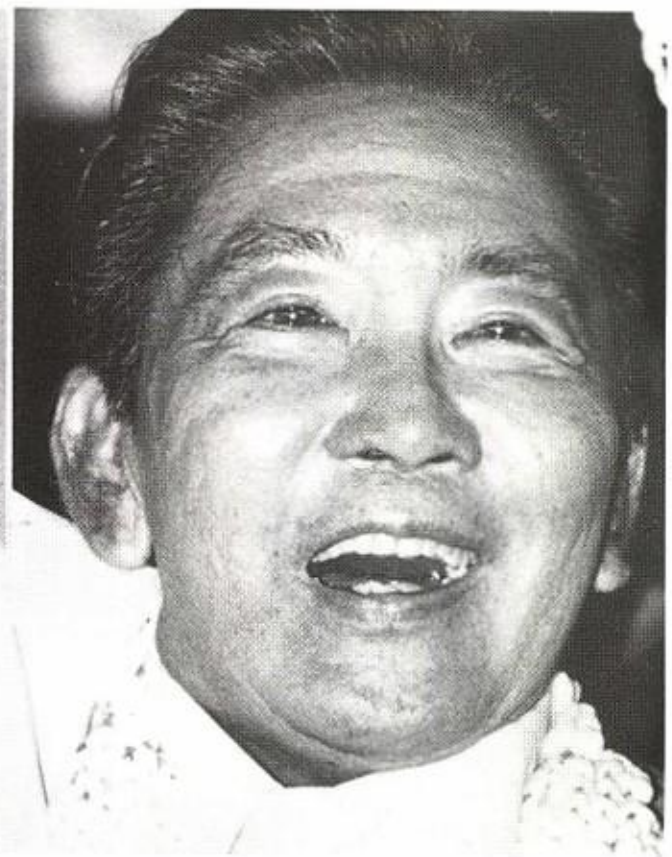
Among the celebrities who died in 1986 were singer Kate Smith who died June 17 of respiratory arrest at the age of 79; Benny Goodman, the king of Swing, died June 13, of cardiac arrest; James Cagney, one of Hollywood's famous toughguys, died March 30 at the age of 86; and Ted Knight, best known for his role in the TV series "The Mary Tyler Moore Show," died August 26 of cancer at the age of 62.

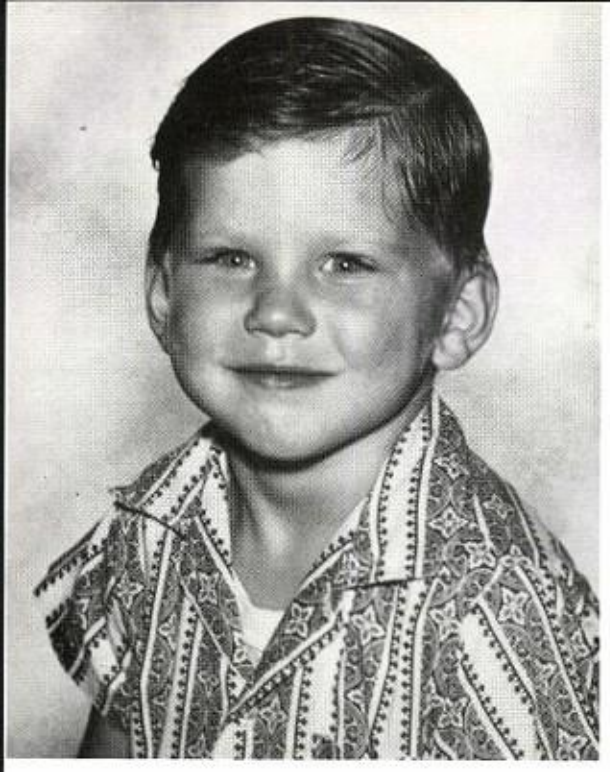
In the Political scene, Phillipine President Ferdinand E. Marcos was forced from office amid charges of corruption and scandal.

The new President Corazon Aquino, was faced with political and economic turmoil.

In April U.S. Air Force and Navy jets attacked 5 targets inside Libya under cover of darkness, delivering a response to what President Reagan called the "monstrous brutality" of Libyan-backed terrorism. Among the targets was Libyan Naval Academy, shown in the photo, located in a suburb of Tripoli.

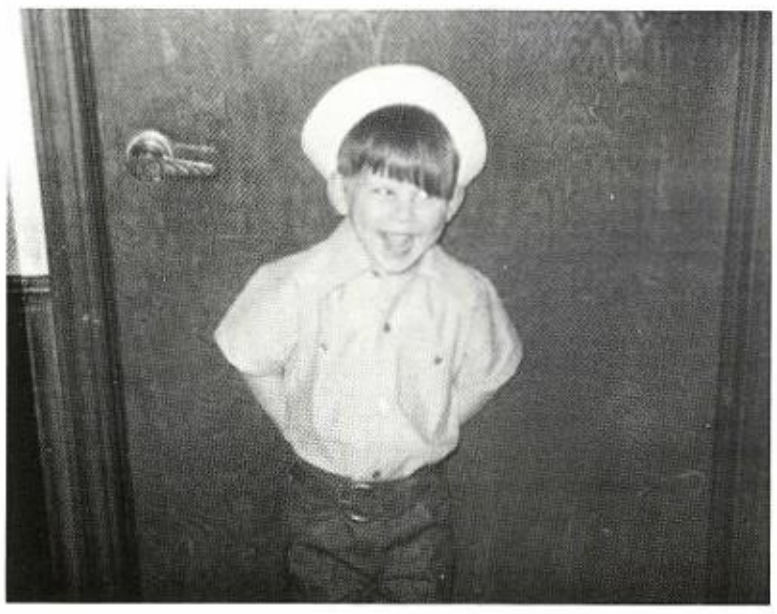


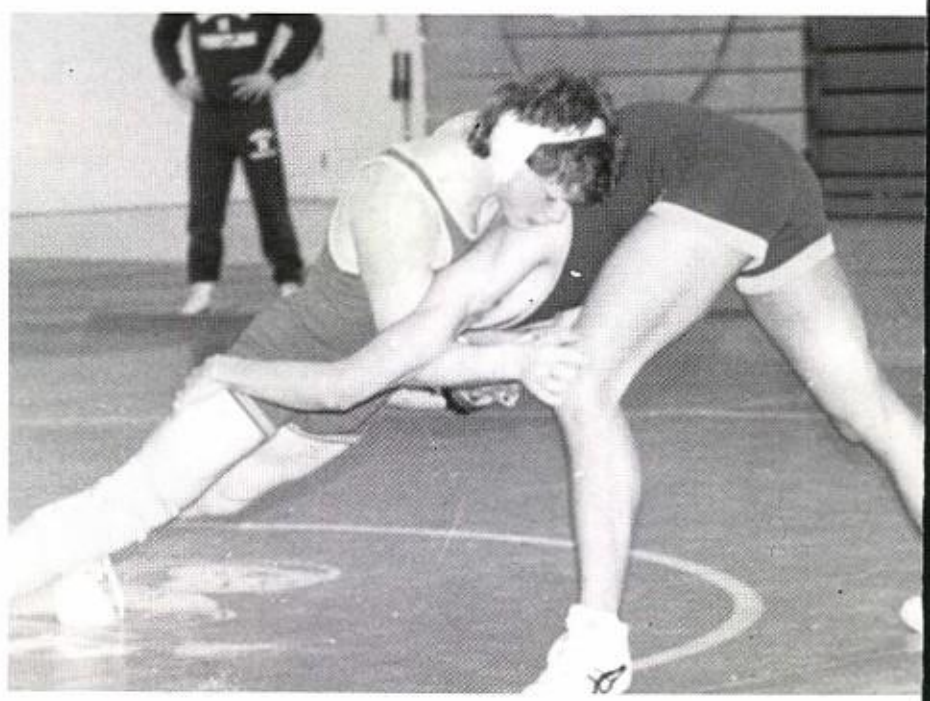




"In Loving Memory" . . .

"In Loving Memory" . . . of Donald Lee Fisher, we dedicate this yearbook to his family. Donald was born in Midwest City on February 18, 1970. Donald and his family have lived in Choctaw for 8 years. He was involved in football, wrestling, and baseball at the high school. His teammates acknowledged him as a very special person. He gave his all when it came to sports and especially the different relationships with his friends. Donald died March 29, 1987. He was buried at Sunny Lane Cemetery. The services were held at the High School's Activities Building at 2:00 p.m., Wednesday, April 1, 1987. He will be greatly missed by both his peers and his teachers.





The Dream

Walking along the ocean's shore.
Looking up at the mountain's cliff.
Watching the eagles swoop and soar.
Staring at the waves as they lite.

When all of a sudden out of the blue.
A figure appears out in the distance.
I walked closer to see if it was true.
My curiosity wasn' giving resistance.

I looked in her eyes deep within.
While overhead the seagulls flew.
I wanted to touch her soft skin.
When I tried my hand passed right through.

I knew there would never be another.
Then I woke up and my dream was over.

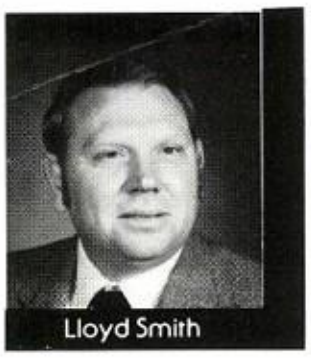
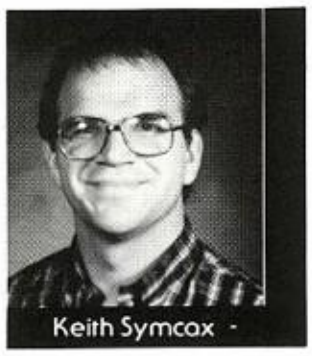
Preparing students for the world outside of education.

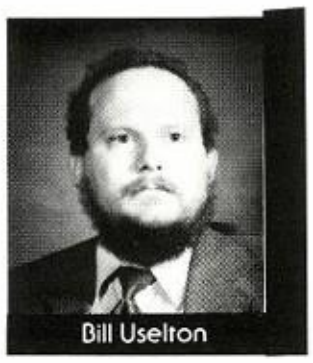
This year the faculty has a lot of new faces. This means new subjects and better teaching. The faculty has the most important job here at Choctaw High School. Giving the students the education they need and want for their future. The faculty spends a lot of time to help each and every individual that wants the best education that they can possibly obtain. The faculty here at Choctaw really care.



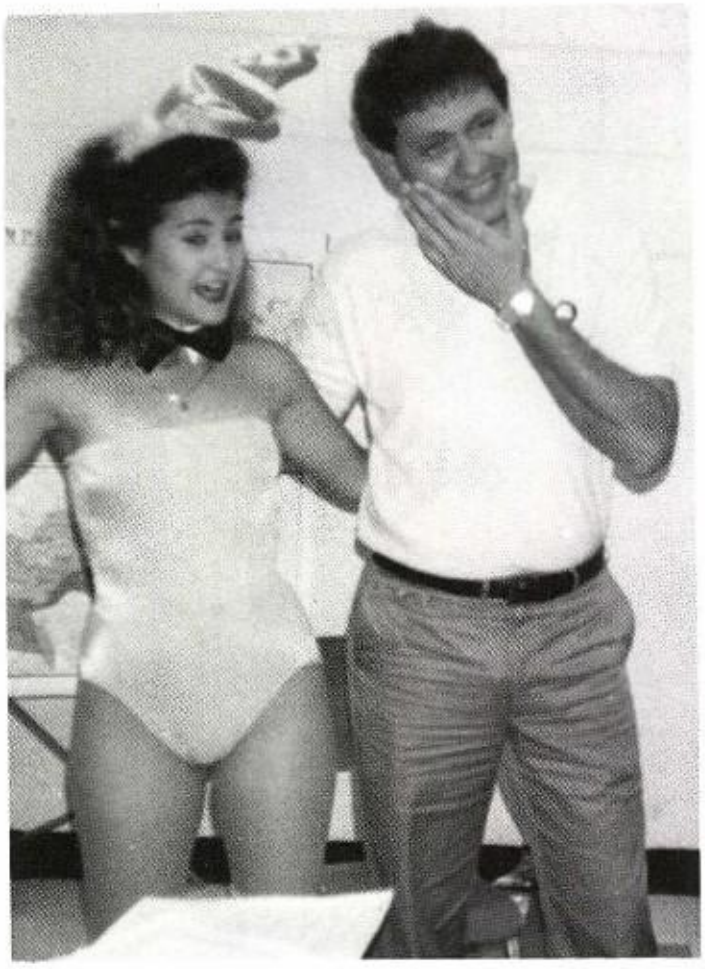
Lloyd Smith



Keith Symcox



Bill Uselton



Here at Choctaw things are definitely different. Being diverse is part of what makes Choctaw a step above the rest. For example, on European Day Mr. Matthesen had each student bring a European dish to celebrate the festivities. Oh, and we can't forget the day Mr. Murphy got a singing relegram for his "?" birthday. Then there's Miss Smith and Miss McCarty having a relaxing lunch in San Juan. Now wouldn't you say the teachers here at Choctaw are very unique.

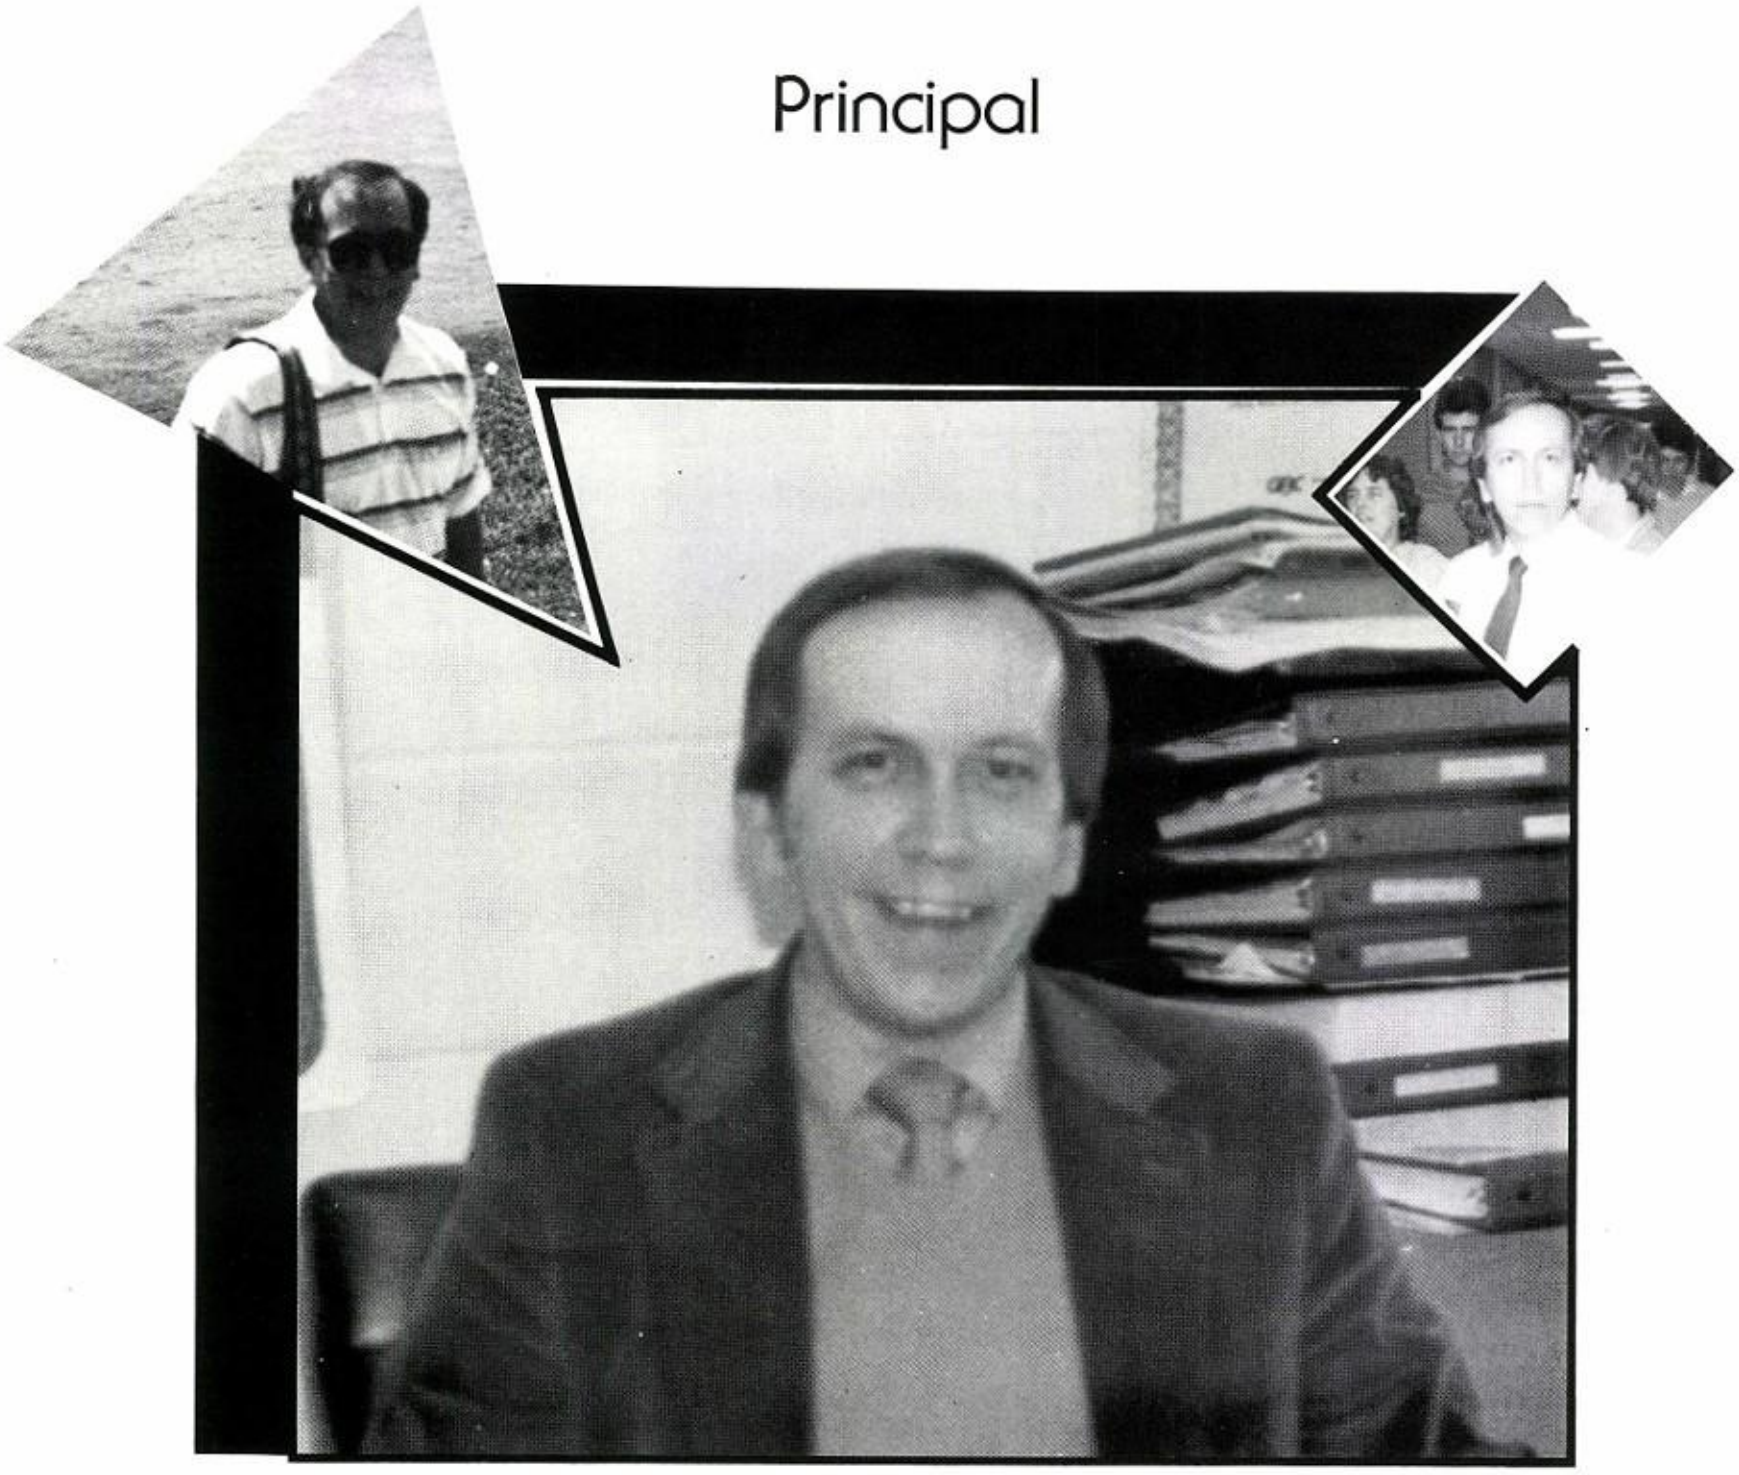
ADMINISTRATION

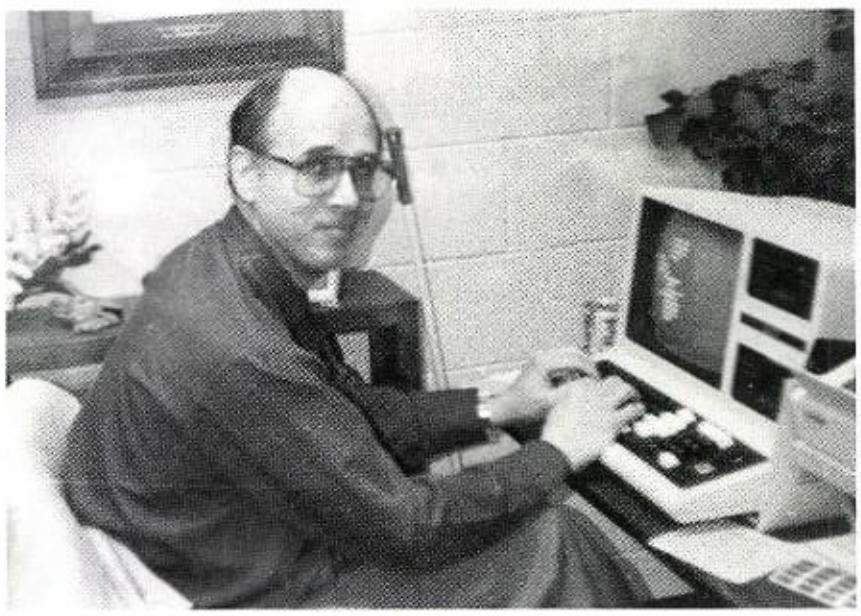
Principal



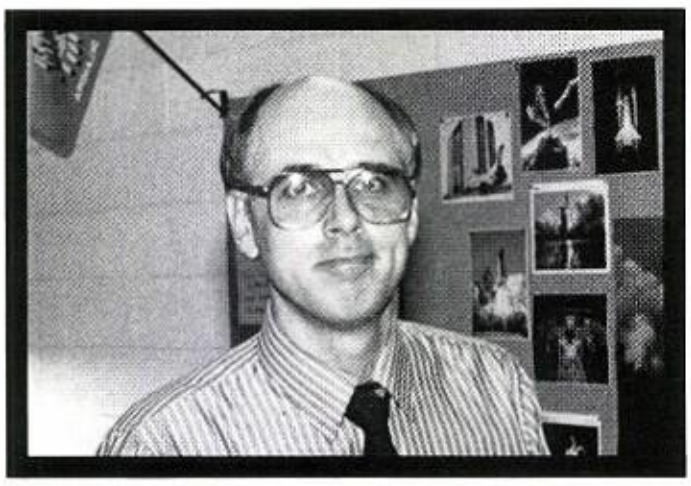
Mr. Riley's second year as Principal has been a rewarding one. His dedication to Choctaw High has proven successful. One of the many tasks done by Mr. Riley is taking care of the student body, which is a tremendous responsibility.

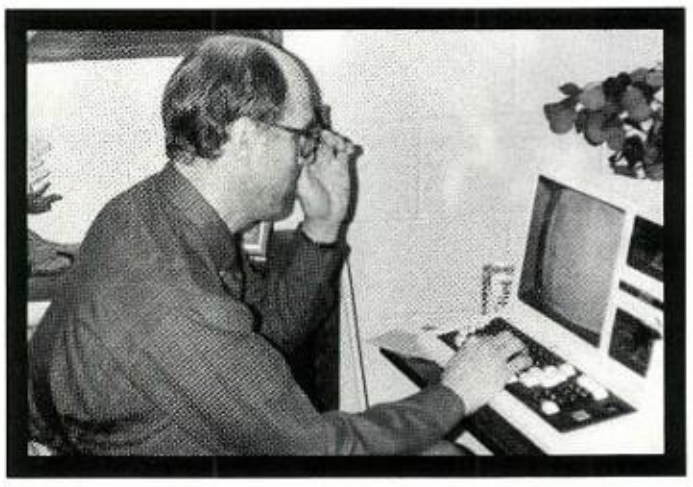
Vice Principals

Mr. Brock is Choctaw's Assistant Principal. He is a dedicated person, who knows the meaning of caring. He deals with students, parents, and teachers, along with other things, everyday. He is concerned with helping in any way he can.



Mr. Roberts first year as Vice-Principal has been a very active one. He is constantly on the go trying to keep up with all the activities going on at CHS. Keeping up with all the activities is not new for Mr. Roberts. He was Choctaw's Administrative Assistant and he had the responsibility of managing the schools calendar.





Counselors

Walter Springfield

Karen Neal

Lucy Dinberg

Our counselors have been doing a great job this year at CHS. They have been helping students plan their future, and helping them with any problems they may have. They listen and they care for the students. Choctaw's Counselors are one of a kind.

Secretaries

Sandi Marshall — Attendance Secretary

Pat Skaggs — Counselor's Secretary

Delores Helberg — Principal's Secretary

The Secretaries at Choctaw are the one's behind the scenes. If there is any dirty work to be done then they are doing it. They do everything from being a nurse to running errands. They get the work done for the "big guys". If it was not for them, Choctaw would not run as smoothly as it does.

Leaders of "The Class"

The Jr. Class Officers worked extremely hard this year! They sponsored a chili supper for Rhonda Evans, a Liver Transplant patient. They were able to give 350 dollars to this worthy cause. During the Thanksgiving holiday they held a canned food drive to help under priviledged families. This also turned out as a successful event.

But of course, the most important endeavor of the Jr. Class Officers was the '87 Prom. They worked hard, strong, and diligently until that very night to make this prom the BEST EVER AT CHS!

The Jr. Class is really a successful class who cares. They truly are a class with CLASS!!!

Tina,
I'm glad we had classes together these last years, ~~[illegible]~~ Accounting, Algebra, Chemistry, and the one in the past that we're in now. I'll always remember the one problem you were trying to get that helped me get through them. You'd help me with the one problem I couldn't manage to do. You've been a good friend & I love ya always

Stephen

Tina,
In all the time that we've been in school together, you've been a good friend. I'll always remember the times we've had together. Have a great year.

Love always,
Janice

Jen, well Bootie, we could sit forever and talk about the trouble we caused together in Junior High. But wasn't it fun?!! All in all we pulled through our disagreements and remained friends. Now its our last year together and its going to be the best! Thanks for all the times when I was down w/ Danny and you cheered me up and helped me along. I love ya for your sincerity!
